Camera & Phone Vlogging light

SKU: PDLFST214BK

Table of Contents

Product Overview

The Porodo Camera & Phone Vlogging Light is a versatile lighting solution designed for content creators. It features a secure phone clamp, adjustable color temperature, and a Bluetooth controller, making it easy to customize your lighting and control your devices remotely. The ring light includes 250 LEDs and offers three lighting modes, providing optimal illumination for your vlogging or live-streaming needs. With a 1-hour working time, this portable lighting accessory can be used for various content creation purposes, supported by a tripod or desktop stand for convenience. The product ensures a well-lit environment for your photos or videos, perfect for enhancing the quality of your content.

Specifications

Input	5V/2A

a. Adjustable Color Temperature: Customize the light to suit different environments and moods.
b. 250 LEDs: Provides bright and clear illumination for enhanced visibility.
c. 3 Lighting Modes: Choose from multiple lighting settings to achieve the perfect lighting effect.
d. Bluetooth Controller: Allows remote control for added convenience while shooting.
e. 1-Hour Working Time: Suitable for short content creation sessions or quick setups.
f. Secure Phone Clamp: Ensures a stable and secure grip for your phone while filming or shooting.
g. Tripod/Desktop Support: Compatible with tripods and desktop stands for flexible positioning.

Package Contents

Lamp body
Phone holder
Charging cable

Product Design

1. Insert the included USB-C cable into the Type-C port located on the device.

2. Connect the other end of the USB cable to a USB adapter or mobile battery. Ensure the USB adapter and mobile battery are prepared separately.

3. It is recommended to use a 5V-1A power source for optimal charging.

4. While charging, three small white lights will flash. Once fully charged, the white lights will stop flashing.

Safety Precautions

1. Avoid Overheating: Ensure the device is turned off when not in use to prevent overheating.

2. Use in Dry Environments: Keep the product away from water or damp areas to avoid electrical hazards.

3. Do Not Disassemble: Never attempt to disassemble or repair the product yourself. Contact a professional if maintenance is needed.

4. Handle with Care: Be gentle when attaching or removing your phone from the clamp to prevent damage.

5. Place on Stable Surface: Ensure the tripod or desktop stand is placed on a stable, flat surface to avoid tipping or falling.

6. Keep Away from Children: This product is not intended for children's use; keep out of their reach.

7. Use Proper Charging: If rechargeable, only use the specified charger to avoid electrical damage or malfunction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
