Power	70W
AC Input	100-240V, 50/60Hz
Heating Element	PTC Heating
Temperature	120-140-160-180-200°C
Auto Off	60 min
Power Plug	BS Plug
Cord Length	1.8 m
Product Weight	263 g
Product Dimensions	327*45*45 mm

Usage Instructions

1. Check the switch to ensure it is in the "off" position. If the power indicator is blinking, the appliance is turned off.
2. Plug the appliance into the appropriate voltage and then turn the switch to the "on" position. The indicator light will turn on, indicating that the appliance is working.
3. Once the desired temperature is reached, switch the appliance to the "use" setting, and it is ready for use.
4. After blow-drying your hair, use the appliance to curl each section of your hair, working from part to part.
5. After use, ensure that the appliance is turned off, then let it cool down and store it properly.

Caution

1. Do not use the appliance if the plug or wire is damaged.
2. Do not use the appliance in an airtight room, such as a bed or sofa.
3. Do not use the appliance near water or in the bathroom.
4. When operating the appliance, do not place it on flammable materials to avoid fire hazards.
5. Do not use the appliance near fire or in high-temperature areas.
6. Do not store the appliance while it is turned on.

Attention

1. This Product Suits For Crimp
2. Do not allow children to touch the appliance to avoid burns.
3. Do not use the appliance with wet hands or wet hair.
4. Do not place the appliance in the bathroom or in damp conditions to avoid electric shocks or damage to the appliance.
5. Maintain a safe distance between the appliance and your skin to avoid burns.
6. The appliance may still release heat after use, so allow it to cool to normal temperature before storing.
7. Do not touch the surface of the appliance while it is working to avoid burns.
8. The merchant is not responsible for any equipment problems caused by inappropriate use by the customer.

Appliance Storage and Care Instructions

1. Do not drop the appliance.
2. Do not wash the appliance or store it in damp conditions.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
