## Product Overview

The Porodo Multi-Function Butane Gas Lighter is designed for precision cooking and various other applications. Featuring an adjustable flame with a maximum heat of 1300°C, this lightweight and safe lighter offers versatility for cooking tasks like caramelizing sugar, searing meat, or even lighting candles. Its easy-to-use design is enhanced by a reliable piezo ignition system, making it quick to start and operate. This multi-purpose tool is perfect for anyone looking to add efficiency and convenience to their cooking or other high-heat needs.

## Specifications

Fuel Type	Butane Gas
Gas Consumption	150 g/h
Max Temperature	1300C
Injector Size	19mm
Product Weight	64g
Product Size	19 x 65 x 148mm
Model Number	PDLFST8071

## Application Guide

- 1. Culinary Use:** Ideal for both restaurants and households to assist in food preparation.
- 2. Defrosting:** Effectively defrosts meat and water pipes.
- 3. Outdoor Activities:** Suitable for use during picnics.
- 4. Agriculture & Gardening:** Can be utilized in farming and gardening tasks.
- 5. Heat-Shrinkable Sleeves:** Compatible with heat-shrinkable sleeves and their connectors.
- 6. Microwelding:** Useful for copper, silver, tin welding, and ornament processing.
- 7. Workshop & Lab Use:** Perfect for fusing, welding, surface treatment, and local heating in workshops, garages, and labs.
- 8. Architectural Decoration:** A great tool for use in architectural decoration projects.

## Safety Precautions

- 1. Never Point the Gun at Anyone:** Always ensure the gun is pointed away from people to avoid accidents.
- 2. Avoid Touching the Gun Barrel:** The barrel becomes extremely hot during and after use. Never touch or bring it near any combustible materials.
- 3. Hand Control Only:** Always maintain control of the gun using your hand; do not allow it to operate unsupervised.
- 4. Gas Cylinder Handling:** Never place gas cylinders upside down, as this can lead to dangerous leaks or malfunctions.
- 5. Keep Away from Children:** Ensure that the tool is kept out of reach of children to prevent any risk of injury.
- 6. Work in Well-Ventilated Areas:** Always work in areas with proper ventilation to avoid inhaling fumes or gases that may be released during operation.

- 7. Wear Protective Gear:** Use safety gloves, goggles, and a mask when operating the tool to protect your hands, eyes, and face.
- 8. Regularly Inspect the Equipment:** Before use, inspect the tool for any damage or wear, especially the gas cylinder and barrel.
- 9. Turn Off After Use:** Always turn off the tool and allow it to cool down completely before storing it.

## **Operation Instructions**

### **1. Attach Gas Cylinders:**

- a.** Rotate the knob clockwise to the hilt. Align the gap of the gun base with the gap of the gas cylinders and press down.
- b.** After connecting the gas cylinders to the gun, turn the gun body to lock it firmly.

### **2. Ignite the Flame:**

- a.** Keep the gas cylinders upright. Turn the knob counterclockwise about 1/4 turn and press the switch to ignite.
- b.** If ignition fails, adjust the gas flow by turning the knob and try again. The flame size is adjustable.

### **3. Extinguish the Flame:**

Rotate the knob clockwise until the flame is extinguished.

### **4. Remove the Gas Cylinders:**

Turn the gun body back to the initial position. Pull up until the cylinders disconnect.

## **Disposal**

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
