Power	5V/2A
Connection Port	USB cable
Heating Time	30 Seconds
Heating Modes	4 Levels (Auto/ High/ Medium/ Low)
Heating Temp.	35-58°C
Product Weight	800 g
Product Dimension	42*42*3 cm

## Usage Notes

1. Plug the cord into a standard power outlet.
2. Press the power button to turn on the device.
3. Select the desired temperature using the control button.
4. Place the pad on the target area.
5. After use, turn off and unplug the device.

## Safety Precautions

1. Do not use while sleeping or unattended.
2. Do not fold or crease during use to avoid overheating.
3. Not for use by children, pets, or individuals with sensitive skin without supervision.
4. Discontinue use if you experience discomfort or skin irritation.
5. Do not use with creams, oils, or on damp skin.

## Troubleshooting

1. No heat? Ensure the power connection is secure and that the cushion is not folded.
2. Overheating? Turn off the device immediately and contact customer service for assistance.
3. Error lights? Consult the indicator chart in the manual for further guidance.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
