Product Diagram

- A. Diffuser Nozzle
- B. Main Unit
- C. Rear Cover
- D. Power Button
- E. Rotating Power Cord

Instructions for Use

1. Set the desired drying strength:

Position 1: Low power, low heat for gentle drying and styling.

Position 2: Medium power, medium heat for gentle drying and styling.

Position 3: High power, high heat for quick drying.

2. Use the high setting for drying hair, and the low setting for styling.

3. If the hair dryer stops working for any reason, turn it off immediately and let it cool down.

4. Always ensure the switch is in the OFF position before plugging the dryer into a power outlet.

Safety Instructions

a. Danger:

To Reduce the Risk of Electric Shock:

1. Always unplug the appliance immediately after use.

2. Do not use the appliance while bathing.

3. Do not place or store the appliance where it could fall into a tub or sink.

4. Do not place or drop the appliance into water or any other liquid.
5. If the appliance falls into water, unplug it immediately.

b. Warning:

1. This appliance is not intended for use by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction on how to use the appliance safely.
2. Children should be supervised to ensure they do not play with the appliance.
3. For added safety, it is recommended to install a residual current device (RCD) that ensures the bathroom power supply electrical return does not exceed 30mA.
4. Do not use this appliance near bathtubs.
5. If the power cord is damaged, have the appliance repaired or replaced by the manufacturer, a maintenance department, or a professional.
6. Do not use the appliance near basins or any other vessel containing water.

Correct Disposal

This product should not be disposed of with other household waste within the EU. To avoid potential harm to the environment or human health from improper waste disposal, please recycle it responsibly to support the sustainable reuse of material resources. To return your used device, please use the designated return and collection systems, or contact the retailer where you purchased the product. They can assist in ensuring the product is safely recycled.

Specifications

Material	PC + ABS + PVC
Rated Power	800W
Rated Voltage	220-240V
Rated Frequency	50/60Hz
Power Plug	UK 3-Pin Plug
Motor Speed	16800RPM
Cord Length	1.8m
Temperature Control	3 Modes
Wind Speed Control	2 Levels
Product Weight	0.4kg
Product Size	130 x 175 x184.5mm
Model Number	PDLFST593

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
