Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference. 

Overview

This Green Lion Mag LED Desk Lamp features a 120° flexible gooseneck, three adjustable brightness levels, and a MagSafe wireless charging function. It offers flicker-free lighting with 36 LED beads and a sleek, modern design, making it ideal for reading, studying, or relaxing. The lamp supports one-touch dimming and is available in multiple color temperatures.

1. Power Connection

Use a PD 20W charger (included) to connect the lamp to power.

2. Light Control

2.1 Brightness Adjustment: Touch the metal switch to cycle through low, medium, and high brightness levels. Default is low when the lamp is powered on.

2.2 Color Temperature Adjustment: To adjust the lamp's color temperature, long-touch the metal sheet on the lamp holder. The color temperature will cycle through cold light, natural light, and warm light.

Magnetic Wireless Charging

Place your phone on the charging area. The light indicator will turn red while charging and green when fully charged. If the green light is flashing, there is a charging failure.

Angle Adjustment

The flexible arm adjusts 120° up and down. Avoid excessive adjustment to prevent damage to the joint.

Package Contents

Table Lamp

Type-C Cable

User Manual

Safety Instructions

1. Use only the recommended power adapter (PD 20W) and cable provided with the lamp to avoid potential damage or electrical hazards.
2. Do not cover the lamp or place it near heat sources. Ensure adequate ventilation to prevent overheating.
3. Do not use the lamp in damp or wet environments. Keep it away from water to prevent electrical shock or short circuits.
4. Handle the lamp by the base and avoid excessive pressure on the flexible arm to prevent damage to the joints.

Specifications

Model No. 	GL-DL3 
Material	ABS+Silica gel
Input	9V/2.22A
Charging Interface	Type-C
Light Power	5W
Voltage	9V
Wireless Charging Power	7.5W Max
