Product Overview

The Powerology 65W GaN Multi-Port Travel Adapter offers ultra-fast charging capabilities with GaN-powered efficiency, providing 65W power for every device. Its compact design features multiple ports, including USB-C and USB-A, for simultaneous multi-device charging. Built-in safeguards ensure safety while charging, making it ideal for travel. The adapter supports both 65W and 30W output, enabling rapid charging for laptops and other devices.

Setup Guide

1. Connect one end of the original data cable to the mobile phone and the other end to the Type-C port of the power adapter.
2. Plug the power adapter into a power supply. The mobile phone screen will display the charging status, indicating that charging has begun.
3. A signal will appear on the mobile phone screen once the charging is complete.

Safety Precautions

This product is suitable for use in regions below 5000 meters in elevation, including both tropical and non-tropical areas.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **powerology.me/warranty** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
