Product Overview

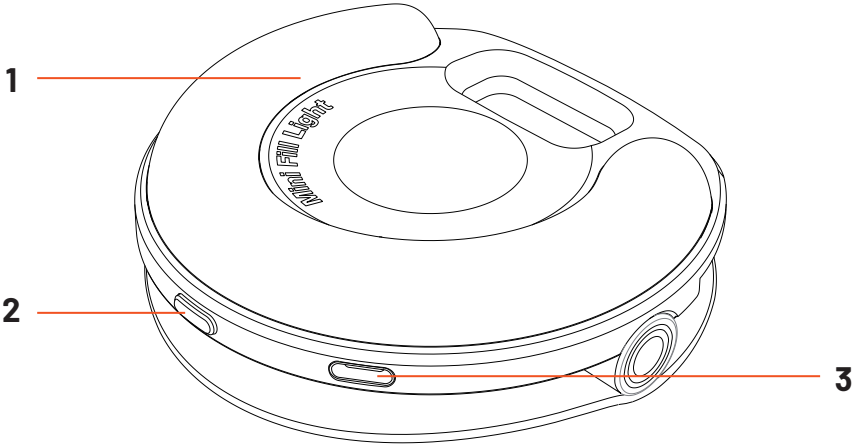

The Porodo GlowRing is a portable ring light designed to enhance your lighting experience with customizable features. It offers three light modes and nine brightness levels, providing the perfect lighting for different environments. The Glowring is powered by high-quality LED beads that ensure bright and clear illumination, with up to 5 hours of working time. It includes a universal clip that can be easily attached to laptops, desks, or other surfaces, making it ideal for video calls, photography, or streaming. The GlowRing also supports USB-C charging, offering a convenient and fast power solution for continuous use.

Specifications

Input Voltage	5V
Rated Power	6.8W
Battery Capacity	400mAh
Recharge Time	1H
Working Time	1H (High Mode), 5H (Low Mode)
Color Temperature Range	2700K-6500K
Lighting Modes	White, Warm & Natural

LED Quantity	34 LEDs (17 Yellow + 17 White)
Charging Interface	Type-C
Product Size	37 x 80 x 90mm
Product Weight	67g
Model Number	PDR CFL33

Product Components

- 1. Shade
- 2. Power/Light mode Switch
- 3. Charging Port

Button Functions

1. Power/Light mode Switch

- a.** Press and hold the power switch for 2 seconds to turn on the light.
 - b.** Press and hold the power switch for 2 seconds to turn off the light.
 - c.** Gently press the switch button to adjust the brightness and color temperature of the light.
- 2.** The charging indicator light will be red while charging, and will turn off as soon as the charging is complete.

Important Notes

- 1.** Always use the provided USB-C charging cable or a compatible one to ensure proper charging. Avoid using low-quality or damaged cables to prevent malfunctions.
- 2.** Do not leave the GlowRing plugged in for extended periods after it is fully charged. Overcharging may affect the battery life.
- 3.** Clean the light with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials to clean the surface, as this may damage the product.
- 4.** The GlowRing is lightweight and portable, but it should still be handled gently. Avoid dropping or placing heavy objects on the ring light.
- 5.** The GlowRing is not water-resistant. Ensure it stays dry and avoid exposing it to moisture or liquids to prevent damage.
- 6.** When not in use, store the GlowRing in a cool, dry place away from direct sunlight or extreme temperatures to ensure optimal performance.
- 7.** Keep the GlowRing away from direct heat sources, such as heaters or hot surfaces, to prevent overheating or damage to the product.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
