2. When the charging case is charging via a cable, an orange light flashes. The orange light stays on when fully charged.

NOTE: Please ensure to use a 5V/1A charging cable or the attached charging cable when purchasing products.

Safety Precautions

1. Ensure the headset is correctly positioned for charging.

2. The battery (or combination battery pack) should not be exposed to extreme conditions such as direct sunlight, fire, or overheating.

3. Listening to music at high volumes for prolonged periods can cause hearing damage. Please adjust the volume to a safe level while using the device.

4. Avoid using the device during thunderstorms, as they may cause abnormal operation and increase the risk of electric shock.

5. Do not dismantle or modify the headset for any reason, as this may cause malfunction or damage, which is not covered under warranty.

6. For optimal performance, store the headset in a dry, cool place when not in use.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
