## Product Overview

The FreshPulse Portable Misting Fan is a versatile 3-in-1 device combining a fan, misting, and lighting functions for efficient cooling. It features a 2L capacity, adjustable speed levels, and a brushless motor for quiet operation. With a grip handle for easy portability, RGB lighting, and a remote control, it also includes oscillation and a lithium-ion battery for reliable performance. Ideal for both indoor and outdoor use, it ensures a refreshing cooling experience anywhere.

## Specifications

Model Number	PDMDX650GBK
Product Size	φ190 x 463mm
Product Weight	About 2.0KG
Battery Capacity	15000mAh
Water Tank Capacity	2L
Rated Voltage	12V
Maximum Power	15W
Control Method	Button/Remote Control
Noise Level	65db
Swing Head Angle	120°
Recharge Time	About 2H-3H
Working Time	About 6H-18H
Power Supply	DC 13.5/1.6A
Cord Length	2M-Adapter

## Package Contents

Fan host × 1

Power adapter × 1

Remote control × 1

## Features and Components

**Tip:** For best performance, always use purified water to avoid nozzle blockage. Clean the nozzle if spray output decreases.

## Button Functions

Key Name	Operating Method	Functionality
Fan	Short press	Cycle through fan speeds 1-4 and turn the fan off.
Spray	Short press	Cycle intermittent spray timer: a. Continuous spray b. 3 sec spray, 2 sec stop c. 5 sec spray, 3 sec stop d. 7 sec spray, 4 sec stop and off intermittent spray timer.
SW	Short press	Cycle through RGB lights and turn them off.
SW	Long press 2s	Swing head on/off (90°).

**Tip:** The indicator lights show the gear adjustment (100 %,75 %,50 %,25 %) and the battery level. Charge the device when the battery is low.

## Cleaning and Maintenance

To clean the removable nozzle, unscrew it by turning counterclockwise. Once removed, clean the nozzle thoroughly. After cleaning, ensure that the nozzle is securely screwed back into place by turning it clockwise.

## Safety Instructions

1. This product is waterproof (IP65).
2. If the product gets wet, turn off the power and allow it to dry completely before using again.
3. Do not knock or drop the product, as this may cause internal damage.
4. Do not store the product in high temperatures, high humidity, or direct sunlight when not in use.
5. Only use the specified voltage to power the product.
6. Unplug the charging cable when the product is fully charged.
7. Do not throw the product into fire to avoid explosion.
8. Do not use the spray function while plugged in to avoid electric shock.
9. Keep the product out of reach of children.
10. Use the product in temperatures between 0~45°C.
11. Do not charge the product on flammable surfaces like carpets or quilts.
12. If the product doesn't turn on, replace the power supply head or cable and try again.

- 13.** If the battery leaks or touches liquid, rinse it off and seek medical help. Do not use the product.
- 14.** If the product overheats or deforms during charging, stop charging immediately.
- 15.** Remove the protective casing before cleaning, and ensure the fan is disconnected from power.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
