- d.** DPI settings up to 12,800 for precise movement control
- e.** RGB lighting with seven customizable color effects
- f.** USB plug-and-play for easy setup
- g.** Ergonomic design for a comfortable gaming experience
- h.** High-performance sensor for accurate tracking
- k.** Perfect fit for all types of gaming styles
- m.** Compatible with multiple gaming platforms

Safety Precautions

- 1.** Do not expose the gaming mouse to water or excessive moisture to prevent electrical damage.
- 2.** Avoid dropping or mishandling the mouse to protect internal components.
- 3.** Use a dry cloth to clean the mouse. Do not use harsh chemicals or abrasive materials that could damage the surface.
- 4.** When not in use, store the mouse in a dry, cool place to avoid overheating or damage.
- 5.** Ensure the braided cable is not under excessive tension or twisted, as this can cause wear or damage over time.
- 6.** Ensure that the mouse is connected to devices that support its specifications to avoid functionality issues.

FCC Statement

- 1.** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1)** This device may not cause harmful interference; and
- (2)** This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
