Product Overview

The Powerology Zinco Series Wireless Charging Pad is a high-performance charging solution designed for modern users. Offering a 15W fast wireless charging capability, it is MagSafe compatible, ensuring efficient and safe charging for your devices. The 1-meter (3.2ft) braided cable is tangle-free and built to withstand everyday use, providing durability and convenience. With built-in safeguards, the charging pad ensures the safety of your devices by preventing overheating, overcharging, and short circuits. The sleek design is case-friendly, allowing you to charge your devices without removing their protective cases. Each unit is tested for quality, ensuring a reliable and long-lasting charging experience.

Specifications

Material	Zinc Alloy + Nylon Braided
Input Connector	USB-C
Cable Length	1 M
Input	5V/2A, 9V/2A
Wireless Output	5W, 7.5W, 10W, 15W

Product Features

- a.** 15W fast wireless charging for quick and efficient power delivery.
- b.** MagSafe compatible for seamless charging with compatible devices.
- c.** Tangle-free 1-meter braided cable for enhanced durability and convenience.
- d.** Built-in safeguards to protect against overheating, overcharging, and short circuits.
- e.** On-demand kickstand for optimal device positioning during charging.
- f.** Quality-tested for reliability and long-lasting performance.

Safety Precaution

- 1.** Always use the charger in a dry, well-ventilated area to prevent overheating.
- 2.** Avoid placing the charging pad on soft or flammable surfaces while in use.
- 3.** Do not use the charging pad with damaged cables or connectors.
- 4.** Keep the charging pad away from water or any liquids to prevent electrical hazards.
- 5.** Do not expose the charging pad to extreme temperatures or direct sunlight.
- 6.** Ensure your device is properly aligned on the pad for safe and efficient charging.

7. Unplug the charger when not in use to conserve energy and maintain safety.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [**https://www.powerology.me/warranty**](https://www.powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
