## Product Overview

The Porodo Lifestyle 9000mAh Work Lantern is a versatile, foldable, multi-mode LED light designed for a variety of lighting needs. It features three adjustable lighting modes and provides up to 19 hours of runtime, making it a reliable choice for long-lasting illumination. With a powerful 2000 lumens output, it ensures bright and clear light for any task. The lantern is built to endure tough environments, with an IP44 rating for water resistance, making it ideal for outdoor and industrial use. Its adjustable telescopic rod and strong magnetic mount allow for flexible positioning, while the hanging hook provides additional convenience for mounting in various settings. Powered by a USB-C rechargeable battery, this work lantern is both functional and energy-efficient, perfect for workspaces, camping, or any situation that requires reliable, portable lighting.
