Setup Guide

1. Connecting 2.4GHz and Bluetooth 5.2 Modes

a. 2.4GHz Pairing: Switch to the 2.4GHz mode. After powering on, the green indicator light will flash rapidly. Once pairing or reconnection is successful, the light will remain steady.

b. Bluetooth 5.2 Pairing: Switch to the Bluetooth 5.2 mode. The device will automatically search for available Bluetooth connections. When pairing or reconnection is complete, the blue indicator light will turn off for two seconds.

Sleep Mode: The device will enter deep sleep after 10 minutes of inactivity.

Wake-Up: Press any button to wake the device.

2. Charging Information

A full charge takes approximately 2–4 hours. During charging, the indicator light will illuminate and either turn off or change color once fully charged. When fully charged, the device can operate for about one month, depending on usage intensity.

3. Important Notes

a. If prompted for a password during installation, select “No Code” or enter “0000.”

b. If the mouse becomes dirty after prolonged use, clean it with a soft cloth lightly moistened with isopropyl (absolute) alcohol. Do not immerse the mouse in any liquid.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
