## Safety Instructions

1. Read All Instructions Before Use and Ensure full understanding before operating the appliance.
2. Familiarize yourself with the power-off procedure and charging method.
3. Adhere to the maintenance instructions specified in the manual.
4. Operate only with water temperatures between 10°C and 50°C.
5. The bidet assembly contains small parts that may present a choking risk.

## warning

1. Never leave the appliance unattended when in use. Always switch off when not in use.
2. Only use as described in the manual with the manufacturer's recommended attachments and replacement parts.
3. Do not use the bidet with water from the sea or any contaminated source.
4. Ensure the charger port is securely closed, and avoid submerging the device in water to prevent damage.
5. When operated by children, ensure proper supervision and guidance.
6. Recharge the battery with the specified voltage. Use output 5V/1A.
7. Do not use a damaged power cord or plug. Use only compatible voltage to avoid damage to the battery.
8. Before use, check for any broken parts or loose screws and ensure all components are intact.
9. Keep the device away from extreme heat or cold.
10. Prevent the device from freezing. Frozen devices can damage the motor and cord.
11. Disassembling the device will void the warranty.
12. Do not leave the device charging overnight to avoid overcharging.

## Overview

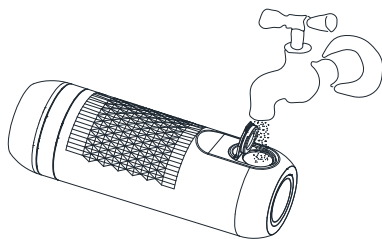

- 2. Nozzle
- 2. Switch Button
- 3. Type-C plug
- 4. Type-C charging port
- 5. LED Display
- 6. Silicone cap
- 7. Non-return valve
- 8. USB-C Charging cable

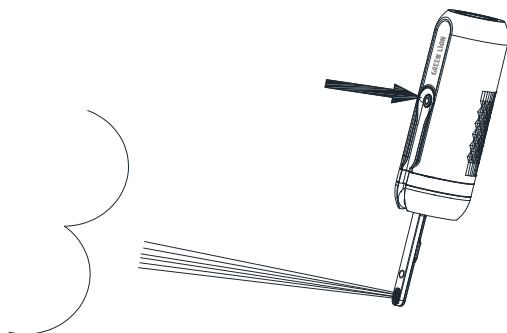

## Instructions

### 1. How to use

- A. Lift the silicone cap, fill with clean water, and securely reseal the cap.

**B.** Align the nozzle with the target area and press the button to start cleaning.

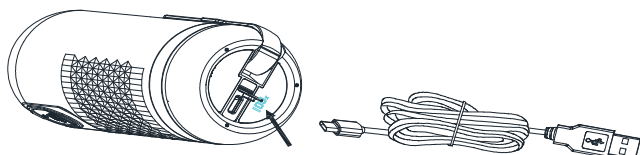

### **C.** Button Operation Guide

To cycle through the operations, ensure the device is turned off. Press the button once to activate the device in low setting. Press the button again while in low mode to switch to high setting. Press the button once more in high setting to turn the device off.

**D.** After use, rotate and store the faucet assembly.

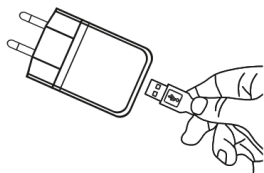

## **2. Charging and Storage**

Open the socket cover and plug the USB cable to recharge when the device is low on power.

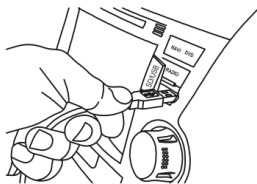

Battery Level and Settings Display

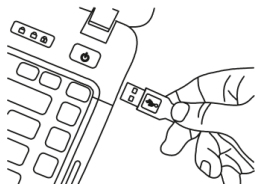

### 3. Charging Methods

5V Phone USB Charger

Car USB Socket

Computer USB Socket

#### Warning :

Avoid using a charger with an output exceeding 5V, as it may damage the battery and pose a risk of overheating or explosion

### 4. Battery Safety Guide

**4.1** We recommend charging the Pocket Bidet to %50-%40 SOC (State of Charge) after use (about 30 minutes) to optimize battery life. Charge before use for the first time.

**4.2** Recharge the Pocket Bidet at least every three months to maintain %50-%40 SOC; the battery will deplete if stored for extended periods.

**4.3** Do not exceed the recommended charging specifications (DC 5V / 1-0.5A).

**4.4** Store away from high temperatures or flammable/explosive goods. Charge only at room temperature and avoid charging in hot environments.

**4.5** Wipe the Pocket Bidet with a cloth after use and before storage.

## Specifications

Model No.	GPB-10
Material	ABS + PC + Silicone
Battery Capacity	1600mAh
Power	≤5.55W
Motor Speed	6400RPM
Recharge Time	2.5 - 3 Hours
Working Time	60 Min High Pressure / 120 Min Low Pressure
Charging Port	Type-C
Waterproof Rating	IPX6
Water Flow Rate	350-500ml/min
Water Reservoir Capacity	~350ML
Product Weight	215g
Product Dimensions	64*185mm

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.greenlion.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
