## Cleaning and Maintenance

1. **Cleaning the Earbuds:** Gently wipe the earbuds with a soft, dry cloth to remove dirt or debris. Avoid using harsh chemicals or abrasive materials.
2. **Cleaning the Charging Case:** Use a soft cloth or microfiber cloth to clean the exterior of the charging case. For the charging port, use a dry brush or compressed air to remove any dust or lint.
3. **Avoid Water Exposure:** Keep the earbuds and charging case away from water and avoid immersing them in liquids to prevent damage to internal components.
4. **Storage:** Store the earbuds and charging case in a clean, dry place when not in use. Keep them in the charging case to protect them from dust and scratches.
5. **Battery Care:** Charge the earbuds only with the provided Type-C

cable and avoid overcharging. For best battery longevity, avoid letting the earbuds fully discharge regularly.

**6. Regular Inspection:** Check the earbuds and charging case periodically for any visible wear or damage, and stop using them if any issues are found.

## Safety Precautions

**1. Keep away from moisture:** Avoid exposing the earbuds and charging case to water or excessive humidity to prevent damage.

**2. Use only authorized charging cables:** Always use the provided Type-C cable or other approved accessories for charging.

**3. Avoid extreme temperatures:** Do not expose the earbuds or charging case to high or low temperatures to ensure optimal performance.

**4. Handle with care:** Gently handle the earbuds and charging case to prevent accidental damage or breakage.

**5. Keep out of reach of children:** The earbuds and charging case contain small parts that could pose a choking hazard.

**6. Do not disassemble:** Do not attempt to open or modify the earbuds or charging case to avoid electrical damage or injury.

**7. Use responsibly:** While using the earbuds, ensure the volume is at a safe level to prevent hearing damage over prolonged use.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
