## Product Overview

The Porodo 7-in-1 Multi-Port USB Hub is designed to provide seamless connectivity and efficient expansion for laptops, tablets, and other USB-C devices. It supports PD 100W fast charging, 4K@30Hz HDMI output, and high-speed data transfer to ensure smooth and reliable performance during work, entertainment, and travel. With universal compatibility, the hub works effortlessly with devices such as iPad Pro, MacBook Pro, Nintendo Switch, and various USB accessories. Its plug-and-play operation eliminates the need for additional drivers, while the compact and durable design makes it easy to carry and suitable for everyday use.

## Product Features

- a.** 7-in-1 Multi-Port USB Hub: Expands the connectivity options of USB-C devices with multiple ports for various devices.
- b.** Universal Compatibility: Works seamlessly with iPad Pro, MacBook Pro, Nintendo Switch, and other USB-C devices.
- c.** PD 100W: Provides fast charging for devices through power delivery support.
- d.** 4K UHD Output: Supports 4K video output at 30Hz for clear and sharp visuals on HDTVs or monitors.
- e.** Fast Data Transfer: Allows data transfer speeds of up to 5Gbps for quick file access.
- f.** Plug & Play Operation: Simple setup with no need for additional drivers or software.
- g.** Compact & Portable: Lightweight design for easy portability and convenience while traveling.

# Specifications

Material	Aluminum Alloy
Power Delivery	100W
Video Resolution USB 3.0 Data	4K @ 30Hz 5Gbps
Transfer Speed SD/micro SD Card	480Mbps
USB-C 2.0 Data Transfer Speed	480Mbps
USB-C Charging	100W/20V/5A PD Charging, or 60W/20V/3A PD Charging, or 18W/9V/2A QC Charging, or 5W/5V/1A Normal Charging.
Supported OS	Windows, Mac OS, Chrome OS, Nintendo Switch
Product Size	2 x 2 x 8.3 cm
Product Weight	37.5g
Model Number	PD35037IN1

## Usage Instructions

1. Plug the USB-C connector of the USB-C hub into the USB-C port of the laptop. Ensure that the port supports PD, video, data transfer, and card reading functions.
2. For HD output, connect the hub to an HDTV and watch the video from the USB-C laptop on the TV or other HD-enabled devices.

## Important Notes

1. This product contains only the hub; power adapters, cords, and other accessories are not included.
2. The USB 3.0 USB-A port supports a maximum total charge output of 5V/500mA and is backward compatible with USB 2.0/1.1. The USB 2.0 port supports a maximum charge output of 5V/500mA, with a data transfer speed of 480Mbps, and is backward compatible with USB 1.1/1.0.
3. To ensure a stable connection, avoid using this hub with high-power devices. It is recommended for use with one hard drive only.
4. The PD function can power and charge the connected USB-C laptop. The laptop's USB-C port must support Power Delivery; the hub supports charging but does not support data transfer.
5. If the laptop's USB-C port only supports data signals (DisplayPort Alt Mode) and does not support Power Delivery, the hub will only transfer data but will not power the laptop.
6. To support 4K HD display, ensure you use a 4K HDMI cable. This can achieve resolutions such as 3840x2160 60Hz/30Hz, 1080p at 23.98/24/50/59.94/60Hz, 720p at 60/59.94/50Hz, etc.
7. The maximum speed for SD/Micro SD cards is 480Mbps.
8. Operating humidity: 10% to 85% RH (non-condensing).
9. Storage temperature: -10°C to 70°C.
10. Storage humidity: 5% to 90% RH (non-condensing).

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
