Product Overview

The Porodo Perea Anti-Blue Light Glasses are designed to shield your eyes from the strain caused by prolonged screen use. With blue light protection, they reduce eye fatigue and digital strain, making them perfect for long hours in front of a screen. Their stylish design not only enhances your visual clarity but also ensures comfort with a lightweight, all-day wear frame. The scratch-resistant lenses are built to withstand daily wear, and the unisex design offers a versatile fit for everyone. These glasses help to reduce visual fatigue, making them an essential accessory for those who spend extended time on digital devices.

Safety Precautions

1. Although the lenses are scratch-resistant, avoid dropping the glasses or subjecting them to heavy impact to prevent damage.
2. Use a microfiber cloth to clean the lenses and avoid harsh chemicals like alcohol or abrasive materials that could damage the surface.
3. Keep the glasses in their protective case when not in use to prevent scratches or deformation.
4. Do not leave the glasses in direct sunlight or hot environments for extended periods, as high temperatures could warp the frame.
5. Check for any loose parts or damage to the frame or lenses. If any issues are found, consult with a professional for repairs.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
