# Product Overview

The Porodo Oran Anti-Blue Light Glasses are designed to protect your eyes from the harmful effects of prolonged screen use. With blue light protection, these glasses help reduce eye strain and visual fatigue, making them ideal for extended periods of computer, phone, or tablet use. The lightweight, comfortable frame ensures all-day wearability, while the scratch-resistant lenses are built to withstand daily use. These glasses feature a stylish, unisex design that enhances visual clarity and provides a digital fatigue shield. Whether you're working, gaming, or enjoying entertainment, the Porodo Oran glasses offer the perfect combination of comfort and eye protection.

## Product Features

- 1. Blue Light Protection:** Reduces eye strain from prolonged screen use, making it ideal for those who spend long hours in front of computers, phones, or tablets.
- 2. Wear All Day:** The lightweight, comfort-fit frame is designed to be worn for extended periods without causing discomfort.
- 3. Scratch Resistant Lenses:** The lenses are built to withstand daily wear and tear, ensuring long-lasting durability.
- 4. Unisex Design:** These glasses feature a versatile design that suits all users, both men and women.
- 5. Reduces Visual Fatigue:** Helps reduce visual fatigue caused by excessive screen time, improving overall comfort and focus.

## Instructions for Use

- 1. Wearing the Glasses:**

Gently place the glasses on your face, ensuring the frames rest comfortably on your nose and ears.
- 2. Caring for the Glasses:**
  - a.** Keep the glasses in a protective case when not in use to prevent scratches and damage to the lenses and frame.
  - b.** Clean the lenses with a soft, microfiber cloth to avoid scratching. For stubborn stains, use a lens cleaner designed for glasses.
  - c.** Do not expose the glasses to extreme temperatures or humidity for extended periods to maintain their integrity and performance.
- 3. Using the Glasses:**
  - a.** The glasses are designed to reduce blue light exposure, so wear them when working on computers, gaming, or using other digital devices.
  - b.** For optimal performance, wear the glasses during extended screen time, and take regular breaks to reduce eye fatigue.

## Safety Precautions

### 1. Avoid Excessive Force:

Handle the glasses with care, and avoid dropping or bending them. Excessive force may damage the frame or lenses.

### 2. Do Not Use Harsh Chemicals:

Avoid using harsh chemicals or cleaners on the lenses, as they can damage the coating and reduce the effectiveness of the blue light protection.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
