## Instructions for Use

Press the power key to turn the device on or off.

## Charging Instructions

1. Connect the pen charging interface to your iPad or mobile phone with a USB-C port (make sure the OTG function is enabled).
  2. Plug the USB cable into the charger to begin charging.
- Note:** The pen attaches magnetically to the following devices for charging.

## Indicator Light Description

1. The power indicator will turn on when the device is powered up

2. The power indicator will flash while the device is charging.

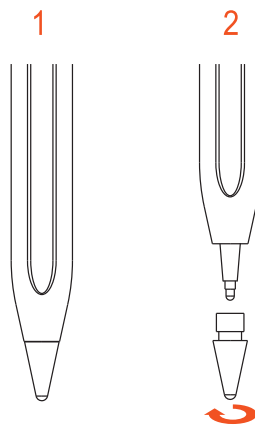

3. The green indicator light will stay on when the device is fully charged.

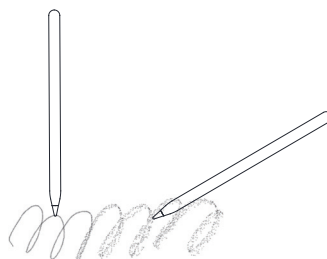

## Replacing the Tip

1. Remove the plastic tip as shown (compatible with Apple Pencil tip).
2. Attach the new tip by following the same steps in reverse.

## Tilt Sensitivity

The pen supports tilt sensitivity for precise control when drawing at different angles.

## Compatible With Magnetic Attachment

### Note:

**Indicator:** Displays the current power when powered on. The indicator light flashes while charging, and the green light remains on when fully charged.

**Sleep Protect:** The pencil will automatically turn off power after 60 minutes of inactivity.

## Tip

If your iPad is connected to another stylus Pencil, make sure to disconnect the connected device before connecting and using the current stylus.

## Precautions

1. Avoid exposure to water or moisture to prevent damage to the device.
2. Charge the stylus with the provided Type-C cable to prevent overheating or damage to the battery.
3. When not in use, store the stylus in a protective case to prevent scratches or damage.
4. Avoid opening or disassembling the stylus pen. Any internal parts are not user-serviceable.
5. Excessive pressure on the 1.7mm tip may cause it to wear down faster or become damaged.
6. Do not drop or throw the stylus. Physical shock may damage internal components.
7. Ensure the device is compatible with the magnetic attachment feature before use to avoid any malfunction.
8. Do not expose the stylus to high or low temperatures, as it may affect performance and battery life.
9. Charge the stylus in a cool, dry, and well-ventilated space to avoid overheating.
10. Use a soft cloth to clean the stylus. Avoid abrasive materials that may scratch the surface.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
