Product Overview

The Green Lion GX-42 MagSafe Rotatable Phone Holder is a flexible and reliable phone mount designed for convenience. It features a strong 3M adhesive base and powerful N52x17 magnets for secure attachment, making it compatible with MagSafe-enabled devices. The holder offers a dual-axis adjustment for easy angle changes and a 360-degree rotatable base for versatile positioning. Its extendable and foldable arm ensures easy storage, and it works with a wide range of devices, providing both stability and convenience for everyday use.

Specifications

Material	PA+GF+ABS+PC
Base	3M Hydraulic Adhesive
Magnets	N52x17
Adsorption Force	1.6 kg
Adjustability	360° Rotation
Product Weight	74.3 g
Product Dimensions	61.1 × 88.3 × 93.8 mm

Product Features

- a.** **Strong Magnetic Hold:** The Green Lion GX-42 Phone Holder utilizes powerful N52×17 magnets to ensure a secure and stable attachment to your phone, providing reliable hold and preventing accidental slips or detachment.

- b.** **MagSafe Compatibility:** Designed for seamless integration with MagSafe-enabled devices, the holder offers effortless attachment to compatible smartphones, ensuring a fast and secure connection without the need for additional accessories.

- c.** **360° Rotation:** The holder offers a full 360° rotation, allowing for comprehensive flexibility in adjusting the phone to any desired orientation, whether portrait or landscape, to suit various viewing preferences.

- d.** **Dual-Axis Adjustment:** The holder features dual-axis adjustment, allowing users to modify both the height and angle of the phone holder. This provides enhanced flexibility, enabling users to achieve the most ergonomic and convenient viewing position.

- e.** **Universal Compatibility:** The Green Lion Phone Holder is universally compatible with a wide range of smartphones, including those not equipped with MagSafe. For non-MagSafe devices, an included ring plate ensures a secure magnetic connection.

- f.** **Strong 3M Adhesive:** The holder's base is equipped with high-strength 3M adhesive, which ensures a secure attachment to flat surfaces such as dashboards, desks, and tables. The adhesive is designed for long-lasting durability and stability.

Instructions for Use

- 1. Attach the Base:** Clean the surface where you plan to place the phone holder. Peel off the protective layer from the 3M adhesive on the base and press it firmly onto the desired surface. Allow the adhesive to set for at least one hour for the best bond.
- 2. Mount the Phone Holder:** Align the phone holder with your MagSafe-compatible device and let the strong magnets secure the phone to the mount.
- 3. Adjust the Angle:** Use the dual-axis adjustment to tilt and adjust the holder to the desired angle. The holder can rotate 360°, allowing you to position your phone in any direction.
- 4. Extend or Fold the Arm:** Adjust the height by extending or folding the arm of the holder as needed for convenience or storage.
- 5. Remove the Holder:** To remove the holder, gently peel it off the surface. If needed, use a soft cloth or tool to assist with removal.

Safety Precautions

- 1. Proper Surface Preparation:** Ensure the surface where the adhesive base will be applied is clean, dry, and smooth to ensure strong adhesion. Avoid applying the holder on surfaces that may be porous or uneven.
- 2. Avoid Excessive Force:** Do not apply excessive force or try to stretch the holder beyond its intended use. This may damage the components or affect the holder's functionality.
- 3. Temperature Exposure:** Keep the phone holder away from direct sunlight, extreme heat, or moisture to prevent damage to the adhesive and other components.

- 4. **Avoid Sharp Objects:** Keep sharp objects away from the phone holder, as they can scratch or damage the surface or magnets.
- 5. **Magnetic Interference:** Be cautious when using the phone holder near sensitive electronic devices, such as credit cards, pacemakers, or other devices that could be affected by magnets.
- 6. **Children and Pets:** Keep the phone holder and its components out of reach of young children or pets to avoid any accidents or damage.
- 7. **Check Adhesion:** Regularly check the adhesion of the base to ensure it remains securely attached. If any detachment occurs, reposition the holder and allow the adhesive to set properly before use.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
