Product Overview

The Porodo 4 AC Universal Power Block (FWC040) provides a practical solution for charging multiple devices simultaneously. With four AC outlets, it allows simultaneous charging of various electronic devices, making it an ideal choice for home or office use. This power block is equipped with built-in safeguards to protect your devices from power surges and other potential electrical hazards, ensuring safety and reliability. Designed for convenience and efficiency, it provides a seamless power experience for all your charging needs.

Specifications

Rated Voltage	AC 110-240V
Rated Frequency	50/60Hz
Rated Power	2500W Max
USB-C Output	DC 5V/3A, DC 9V/2.22A, DC 12V/1.67A, 20W Max
USB-A1/A2 Output	DC 5V/3A, DC 9V/2A, DC 12V/1.5A, 18W Max
USB-C+USB-A1+USB-A2 Output	DC 5V/3A, 15W Max
Total Ports	2 USB-A, 1USB-C

Material	PC
Plug Type	UK-13A Fused
Product Size	67 x 67× 113mm

Product Features

a. Four AC Outlets

The Porodo 4 AC Universal Power Block features four AC outlets, allowing you to plug in and power multiple devices simultaneously. This is perfect for use in places where you need to charge or power several electronics at once, such as your home office, living room, or workspace, eliminating the need for multiple adapters or power strips.

b. Simultaneous Charging

With the capability for simultaneous charging, this power block supports the efficient operation of all connected devices. You can charge laptops, phones, tablets, or other electronics at the same time without losing performance or speed, making it an ideal choice for busy environments or multiple users.

c. Built-In Safeguards

The power block is designed with built-in safeguards, offering protection from power surges, overloads, and short circuits. This ensures that your devices are safe from electrical mishaps, providing peace of mind when using multiple high-power electronics in one place.

d. Compact and Space-Saving Design

Its compact design allows for easy placement in any space, whether on a desk or behind furniture. The power block is sleek and portable, making it an excellent choice for travelers, home offices, or small workspaces where space is limited.

e. Durable Construction

Built to last, the Porodo 4 AC Universal Power Block is made with durable materials that can withstand daily use. Whether you're using it at home or taking it with you on the go, the sturdy design ensures it will perform reliably over time without showing signs of wear.

Safety Precautions

- 1.** Do not exceed the maximum power capacity of the power block by connecting too many devices that draw more power than it can safely handle. Overloading can cause overheating, potentially damaging the power block and your devices.
- 2.** Ensure that the power block is kept away from water or moisture. Electrical products should never be used in wet environments, as this can lead to electric shocks, short circuits, or fire hazards.
- 3.** Place the power block on stable, flat surfaces to prevent it from falling or being accidentally knocked over. Avoid placing it on uneven or unstable areas that could result in damage or malfunctions.
- 4.** Check the power block and its cables for any visible signs of wear or damage, such as fraying, cracking, or exposed wires. If any damage is found, stop using the product immediately and replace it to prevent electrical hazards.
- 5.** Ensure that the power block's ventilation openings are not obstructed to allow proper airflow. Blocked vents can cause overheating and potential damage to the power block or connected devices.
- 6.** This product should be kept out of reach of young children to prevent accidental electrical contact. Ensure that the power block is plugged into a secure outlet to minimize the risk of accidental unplugging or tampering.
- 7.** When not in use, it's best to unplug the power block to avoid unnecessary power consumption and potential safety risks. Unplugging when not needed also extends the product's lifespan.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
