Product Overview

The Porodo Frostwave Portable Cooling Fan is a compact and highly efficient cooling solution designed for on-the-go comfort. With a 5-hour working time, it ensures continuous cooling, keeping environments comfortably cool even during extended use. The fan features five adjustable speed levels, providing customizable airflow to suit different preferences. Its compact and portable design, paired with a built-in 3000mAh battery, allows for easy mobility and supports outdoor functionality. Whether you're at home, in the office, or outdoors, the Frostwave fan delivers a refreshing breeze with its cold breeze function, making it an ideal companion for warm days.

Specifications

Battery Capacity	3000mAh
