Product Overview

The Aerodesk Cooling Laptop Stand is a durable, adjustable stand designed to enhance your laptop's cooling and ergonomic comfort. Made from carbon steel, it features high-speed cooling fans and a quiet operation. Compatible with laptops from 14" to 17.3", it supports up to 8kg. The stand offers adjustable height, an anti-slip base for stability, and a foldable design for easy storage and portability, making it a practical solution for everyday use.

Specifications

Rated Voltage	5V
Rated Current	1.5A
Motor Speed	4000rpm
Noise Level	45dB
Rotation Angle	90°
Compatibility	17.3-14" Devices
Interface	USB-C
Load Capacity	8kg Max
Material	Carbon Steel
Product Size	45 × 225 × 260mm
Product Weight	1215g
Model Number	PDGFF01T

Product Features

- 1. Durable Carbon Steel Construction:** Provides long-lasting strength and stability.
- 2. High-Speed Cooling Fans:** Ensures efficient airflow to prevent laptop overheating.
- 3. Adjustable Height:** Allows customization for a comfortable viewing and typing angle.
- 4. Compatibility:** Supports laptops from 14" to 17.3" with a load capacity of up to 8kg.
- 5. Anti-Slip Base:** Offers stability and prevents the stand from sliding during use.
- 6. Quiet Fan Operation:** Operates quietly to maintain a noise-free environment.
- 7. Foldable Design:** Easy to store and carry, ideal for travel or compact spaces.
- 8. Universal Device Support:** Compatible with a wide range of laptops, tablets, and other devices.
- 9. Ergonomic Design:** Helps reduce neck and back strain by elevating the laptop to a comfortable height.
- 10. Portable:** Lightweight and easy to carry, perfect for both home and office use.
- 11. Space-Saving:** Foldable design allows for compact storage when not in use.
- 12. Ventilated Surface:** Promotes effective heat dissipation for optimal laptop performance.
- 13. Easy Setup:** Quick and simple to adjust the height for your preferred angle.
- 14. Sleek Appearance:** Modern and minimalist design that complements any workspace.

Instructions for Use

- 1. Setting Up the Stand:**
 - 1.2. Unfold the Stand:** Gently pull the sides apart until the stand clicks into place.
 - 1.3. Adjust Height:** Move the adjustable arms up or down to set the height you prefer.

2. Using the Stand:

2.1. Place Your Laptop: Put your laptop (14" to 17.3" screen size, up to 8kg) on the stand.

2.2. Adjust the Angle: Tilt the stand to find the best angle for your screen.

3. Cooling Fans:

3.1. USB-C Connection: Plug the USB-C cable into your laptop or device to power the cooling fans.

3.2. Fan Starts Automatically: The fans begin working once connected, helping to keep your laptop cool. The fans run quietly while cooling.

4. Folding the Stand:

Fold It Up: After use, gently fold the stand back into a compact shape. The stand is small enough to store in your bag or drawer.

Safety Precautions

1. Use on a Flat Surface: Always place the stand on a stable, flat surface to ensure it remains secure during use.

2. Do Not Overload: The stand is designed to hold laptops up to 8kg. Avoid placing devices that exceed this weight limit to prevent damage.

3. Proper Connection: When using the USB-C cable to power the cooling fans, make sure it is properly connected to your device to avoid electrical issues.

4. Avoid Blocking Vents: Ensure that the cooling fans and air vents on the stand are not .

5. Handle with Care: When adjusting the height or folding the stand, do so gently to avoid damaging the adjustable joints or the stand.

6. Storage: When not in use, store the stand in a cool, dry place, away from extreme temperatures, humidity, or direct sunlight.

7. Cleaning: Clean the stand with a soft cloth. Avoid using harsh chemicals or abrasive materials that may damage the surface.

8. Supervision for Children: Keep the stand out of reach of young children to prevent accidental injury or misuse.

Troubleshooting

1. Cooling Fans Not Working

Solution:

- a. Check if the USB-C cable is connected properly to the laptop or power source.
- b. Make sure your device is on and supplying power.
- c. Test the cable with another device to check if it's working.

2. Stand Wobbles or Feels Unstable

Solution:

- a. Place the stand on a flat, even surface.
- b. Adjust the height and check if the joints are locked properly.
- c. Ensure the rubber pads on the stand are intact and provide enough grip.

3. Fan Noise is Too Loud

Solution:

- a. Check for any obstructions blocking the fans or vents.
- c. Make sure the fan blades are not damaged or misaligned.

4. Stand Does Not Lock Into Place

Solution:

- a. Make sure the adjustable arms are aligned correctly.
- b. Check the locking mechanism to ensure it's secure.

5. USB-C Cable Does Not Fit Properly

Solution:

- a. Make sure the USB-C cable is inserted the right way.
- b. If the cable is damaged, try another one.

6. Stand Cannot Hold Laptop Properly

Solution:

- a. Make sure your laptop is within the recommended size (17.3-"14") and weight (up to 8kg).
- b. Adjust the stand's arms to support the laptop properly.
- c. Tighten any loose joints to keep the stand steady.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
