Impedance	32Ω
Sensitivity	93dB ±3dB
Audio Latency	2.4G 20ms
Product Weight	287g

## Precautious

1. When using for the first time, it is recommended to charge for 2-1 hours for optimal battery performance.
2. If the product has not been used for an extended period (more than one month), please charge it before use.
3. Keep the product away from fire and water.
4. To prevent potential hearing damage, avoid listening at high volume levels for extended periods. Do not use the headset while driving, cycling, or in any situation where it is necessary to hear external sounds. As a guideline for setting the volume, ensure you can still hear your own voice when speaking normally while using the headset.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.greenlion.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
