Product Overview

The Porodo Blue 6 AC Dual Switch Power Strip is designed with six universal AC sockets, allowing you to power multiple devices simultaneously. It features two USB-C outputs and one USB-A output for quick charging. With a power rating of 3000W and a 3-meter (9.8ft) cable, it offers flexibility in placement. Additionally, the power strip is equipped with safety shutters and a power switch for enhanced protection and convenience. This versatile power strip is ideal for home or office use.

Specifications

Rated Voltage	110-250V
Rated Frequency	50-60Hz
Maximum Current	13A
Rated Power	3000W
USB-A&C Output	DC 5V/3.4A
Power Cord	UK 3pin Plug

Product Features

- 1. Six Universal AC Sockets:** Provides ample space for multiple devices with universal compatibility.
- 2. Dual Switches:** Allows independent control of different sections of the power strip for energy efficiency.
- 3. Two USB-C Outputs:** Offers fast charging capabilities for compatible devices.
- 4. One USB-A Output:** Provides additional charging option for standard USB devices.
- 5. 3-Meter (9.8ft) Cable:** Provides flexibility in placement, allowing you to reach distant power outlets.
- 6. Safety Shutters:** Ensures protection against accidental contact with electrical components, enhancing safety.

Safety Precautions

- 1. Avoid Overloading:** Do not exceed the maximum power rating of 3000W to prevent overheating or fire hazards.
- 2. Keep Dry:** Ensure the power strip is kept away from water or moisture to avoid electrical shock or short circuits.
- 3. Use in Well-Ventilated Areas:** Avoid placing the power strip in confined spaces to allow for proper heat dissipation.
- 4. Check for Damaged Cords:** Inspect the power strip regularly for any signs of wear, fraying, or damage to the power cable.
- 5. Unplug When Not in Use:** To prevent potential electrical hazards, unplug the power strip when not in use for extended periods.
- 6. Avoid Blocked Vents:** Ensure ventilation slots are not obstructed to maintain safe operation and prevent overheating.

7. Keep Out of Reach of Children: Prevent accidental electric shock or injury by keeping the power strip away from young children.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
