Product Overview

The Porodo Blue 8 AC Power Strip combines power, versatility, and safety in one sleek design. Equipped with eight universal sockets, it can handle up to 3000W of total power, making it ideal for managing multiple devices at once. The integrated USB-C output and three USB-A outputs allow for fast and efficient charging of smartphones, tablets, and other USB-powered gadgets without the need for separate adapters. Its 3-meter (9.8ft) heavy-duty power cord offers flexibility for home or office setups, while built-in safety shutters ensure protection against accidental electric shocks. Designed with a modern aesthetic and solid build quality, the Porodo Blue Power Strip delivers reliability, convenience, and style in every use.

Specifications

Rated Voltage	110-250V
Rated Frequency	50-60Hz
Rated Power	3000W
Maximum Current	13A
USB Output	DC 5V/2.4A
Power Cord	UK 3-Pin Plug

Product Features

- A.** 8 Universal AC Outlets: Compatible with multiple plug types, allowing you to power up to eight devices simultaneously.
- B.** High Power Capacity (3000W): Delivers stable performance for home, office, and professional equipment.
- C.** USB-C & 3 USB-A Outputs: Charge multiple smart devices efficiently with dedicated fast-charging ports.

- D. 3-Meter Heavy-Duty Cable:** Provides extended reach and flexibility for various setups.
- E. Built-in Safety Shutters:** Protect users from accidental electric shocks and ensure child safety.
- F. Durable Construction:** Made with high-quality materials for long-lasting reliability.
- G. Power Switch with LED Indicator:** Allows easy control and monitoring of power status.
- H. Compact Modern Design:** Sleek and space-saving look that fits seamlessly into any environment.

Safety Precautions

- 1.** Always ensure the total power consumption of connected devices does not exceed 3000W.
- 2.** Do not use the power strip in wet or humid environments to avoid the risk of electric shock.
- 3.** Keep the device away from heat sources, direct sunlight, and flammable materials.
- 4.** Avoid inserting metal objects into the sockets to prevent short circuits or electric hazards.
- 5.** Do not attempt to disassemble or repair the power strip yourself; contact a qualified technician if needed.
- 6.** Make sure the plug is fully inserted into the wall socket before use.
- 7.** Disconnect the power strip during thunderstorms or when not in use for extended periods.
- 8.** Keep the power strip out of reach of children and pets.
- 9.** Do not cover the power strip while in operation to prevent overheating.
- 10.** Regularly check the cable and sockets for signs of wear or damage, and discontinue use if any are found.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
