## Calorie Tracking

Set your daily calorie target and track your progress directly on the app. The scale will help you manage your weight effectively.

## Troubleshooting

Issue	Cause	Solution
"Lo" on display	The diffuser will not operate properly when the battery is low.	Replace all four AAA batteries to ensure proper operation of the diffuser.
"Err" on display	The diffuser will not function if the weight exceeds 5020g.	Remove any excess weight to ensure the diffuser functions correctly.
No Bluetooth	The diffuser will not operate if it is not paired with the app or if the app is closed.	Reconnect the diffuser through the app settings to restore proper functionality.
Inaccurate weight	The diffuser will not work properly if it is not placed on a flat surface.	Ensure the diffuser is placed on a flat and stable platform for optimal performance.

## Safety Instructions

1. Do not submerge the scale in water.
2. Clean the scale only with a damp cloth.
3. Store the scale in a cool, dry place to maintain its accuracy and longevity.

4. Keep the scale away from strong electromagnetic fields to ensure optimal performance.
5. Keep the scale out of reach of children to prevent accidental damage or misuse.
6. Protect the scale from impacts to avoid damaging the internal components.
7. Do not use the scale in extreme conditions, such as high humidity or temperatures, to ensure its proper function.
