Product Description

The Seoul MagSafe PD Powerbank features a single USB-C port, offering a maximum output and input of 20W PD. The wireless charger provides a maximum output of 15W.

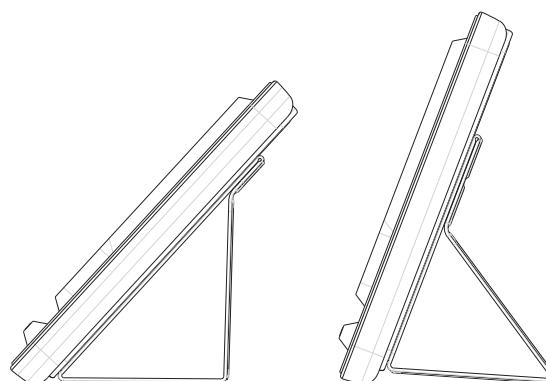

The Seoul MagSafe PD Powerbank utilizes advanced magnetic attraction technology, allowing it to magnetically attach to the back of your phone. This ensures a seamless and convenient wireless charging experience.

With its unique foldable stand design, you can easily prop up your phone to watch movies, read books, or study. You can place your phone vertically or horizontally to suit your needs.

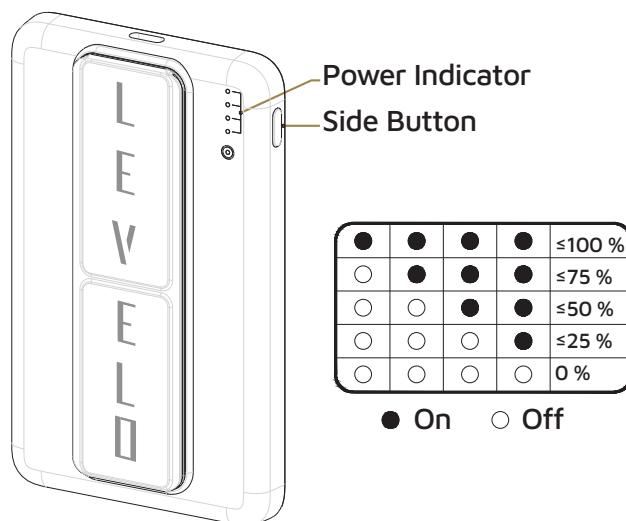

The foldable stand offers two adjustable angles to suit your preferences.

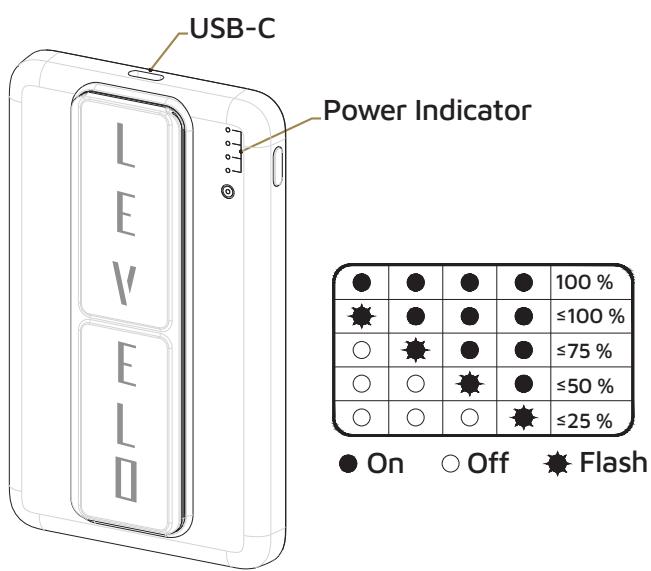

Power Indicator

Press the Side Button to display the remaining power on the Power Indicator.

Charging the Powerbank

1. Use high-quality chargers and cables for optimal and safe charging of the Seoul MagSafe PD Powerbank.
2. Connect the USB-C cable to both your charger and the powerbank's charging port, then turn on the charger.
3. The Power Indicator lights will flash as charging progresses. The lights will solidify one by one.
4. When fully charged, all four Power Indicator lights will remain solid.

Charging Your Devices

1. The Seoul MagSafe PD Powerbank offers two charging methods: wireless charging (15W) or charging via the USB-C cable.
2. The wireless charger provides up to 15W output. Press the Side Button to initiate wireless charging, and the Wireless Charging Indicator will automatically light up.
3. To charge your device through the USB-C port, connect your device to the Seoul MagSafe PD Powerbank using the included USB-C cable. The USB-C port supports a maximum output of 20W.

4. The Seoul MagSafe PD Powerbank also supports pass-through charging: while charging the powerbank through the USB-C port (18W), you can still charge your device wirelessly (up to 15W).

Specifications

Capacity	5000mAh 3.7V / 18.5Wh
Wireless Output	15W
Type-C Input	18W 5V/3A, 9V/2A, 12V/1.5A
Type-C Output	20W 5V/3A, 9V/2.22A, 12V/1.67A
Dimension	10.5 x 68 x 4112mm

Caution

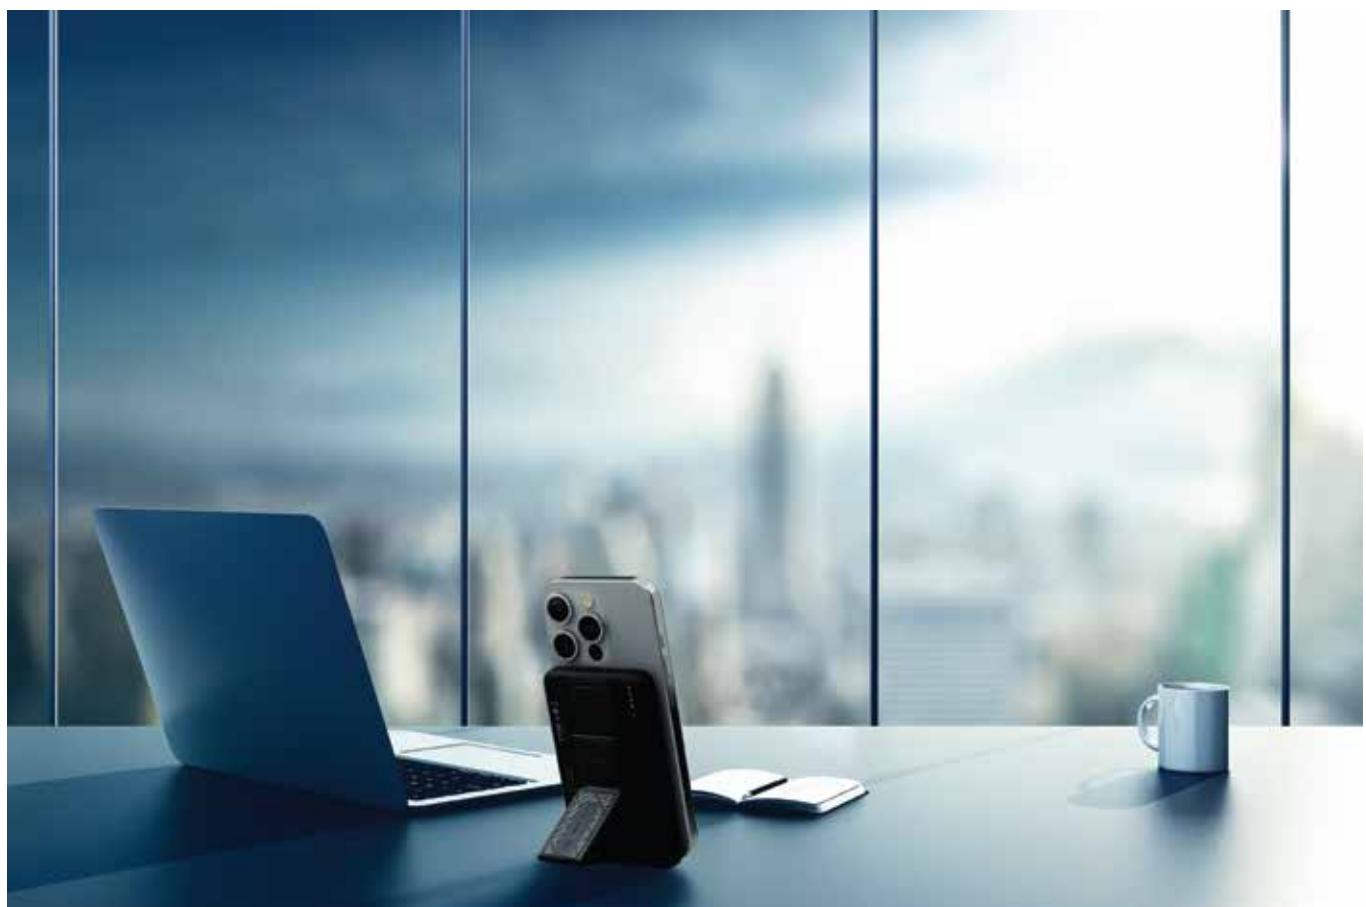

- 1.** Do not attempt to disassemble or modify the device.
- 2.** Avoid short-circuiting the device to ensure safe operation.
- 3.** Handle the device carefully to prevent accidental drops.
- 4.** Keep the device away from liquids and fire.
- 5.** Store and use the device in moderate temperatures—avoid extreme heat or cold.
- 6.** Refrain from using the device in humid environments.
- 7.** Keep the USB port clear of metal objects (such as keys) to prevent short circuits.
- 8.** To extend battery life, charge the device at least once every three months.
- 9.** Charge the device as soon as possible when the power drops below 25 %.
- 10.** Always keep the device out of reach of children and pets.

Package Contents

1. MagSafe Power Bank
2. Charging Cable

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products procured directly from the **Levelo** website or physical store comes with a 24-month warranty. **Levelo** products purchased from any of our authorized dealers are guaranteed with a one-year warranty. If you wish to extend this warranty, you'll need to go to our website at [**https://www.levelobrand.com/warranty**](https://www.levelobrand.com/warranty) and fill out the necessary form, making sure to include your personal information and a photo of the product. After your request has been evaluated and accepted, we'll send you an email notification to affirm the extension of your product's warranty.
