Built-In Type-C Output	PD 20W, 5V/3A, 9V/2.2A, 12V/1.67A
A+C1 Output	QC 18.3W + PD 65W
C1+C2 Output	PD 65W + PD 20W
A+ C2 Output	5V/3.4A
C1+A+C2	PD 65W + 5V/3.4A

Product Features

Built-In Safeguards: Ensures protection against overcharging, overheating, and short circuits, providing safe usage.

Fast Charging: Equipped with fast charging technology for quick power delivery.

Patented Design: Features a unique design that is protected and distinct from other similar products.

Safety Precautions

Avoid Overheating: Do not use the charger in extreme temperatures. Ensure that the charging port remains cool during use to prevent overheating.

Use Proper Power Source: Always connect the charger to a vehicle with a compatible 12V DC power outlet to avoid damage.

Avoid Short Circuits: Make sure the charger's connections are free of moisture and debris to prevent short circuits.

Check for Faulty Cables: Inspect the charging cable regularly for signs of wear or damage. Replace if the cord becomes frayed or exposed.

Do Not Block Air Vents: Ensure the charger's cooling vents are not obstructed to avoid overheating and ensure efficient operation.

Use for Designated Devices Only: This charger is designed for specific voltage and power output. Do not use it with devices that exceed its capacity to avoid damage.

Keep Away from Water: Do not expose the charger to moisture or rain to prevent electrical hazards and damage to the unit.

Disconnect When Not in Use: To prevent unnecessary power drain, unplug the charger from the vehicle's power outlet when not in use.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [**powerology.me/warranty**](http://powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
