Product Overview

The Porodo Universal AC Adapter is designed to offer a versatile and high-performance solution for powering your devices across different countries. Supporting multiple plug types, including UK, US, EU, SA, and 5A, this adapter is compatible with over 150 countries worldwide. It features a robust 2500W high power capacity, ensuring efficient energy use for your electronics. Built-in safeguards provide additional protection, making it a reliable choice for both home and travel use. The compact design (45 x 45 x 151 mm) enables you to carry it around wherever you travel.

Specifications

Rated Voltage	100V-250V
Rated Current	10A Max
Rated Power	2500W Max
Supported Plugs	UK, US, SA & EU
Material	PC
Product Size	45 x 45 x 151mm

Product Features

- 1. Wide Compatibility:** Supports multiple plug types, including UK, US, EU, SA, and 5A, making it suitable for use in over 150 countries worldwide.
- 2. High Power Capacity:** With a 2500W capacity, it can efficiently power high-demand devices, ensuring a stable and reliable energy supply.
- 3. Built-in Safeguards:** Equipped with built-in protection features that prevent overcurrent and overheating, ensuring the safety of both the adapter and your connected devices.
- 4. Compact and Portable Design:** The small size (45 x 45 x 151 mm) makes it easy to carry, store, and use wherever you go, whether at home or traveling.
- 5. RoHS Certified:** Meets strict safety and quality standards, ensuring that the adapter is safe for use in a variety of environments.
- 6. Universal AC Sockets:** Provides flexibility by supporting a range of devices, making it a versatile solution for powering electronics worldwide.

Safety Precautions

- 1. Do not exceed the rated power:** Ensure that the total power of connected devices does not surpass the adapter's rated power capacity to avoid overheating or damage.
- 2. Proper insertion:** Always insert the plug fully into the socket to ensure a secure and stable connection.
- 3. Avoid wire bundling:** Do not bundle or coil the wire while in use, as this can lead to abnormal heating and potential safety hazards.
- 4. Dry environment only:** Use the adapter in dry conditions. Avoid using it in damp environments, as moisture can cause malfunctions or electrical hazards.
- 5. Keep away from children:** Ensure that the adapter is kept out of reach of children to prevent accidents.

- 6. Qualified technician for repairs:** If repairs are necessary, please consult a qualified technician. For assistance, contact our customer support team.
- 7. Regular inspection:** Periodically check the adapter for any signs of wear, damage, or overheating. If any issues are detected, discontinue use immediately.
- 8. Unplug when not in use:** For safety and energy efficiency, unplug the adapter when not actively in use.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at porodo.net/warranty and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
