## Product Overview

The Porodo Makeup Mirror with Wireless Charger and Speaker combines functionality and style. It features a sleek, ergonomic design that incorporates a 3-color tone adjustable light, allowing you to personalize the lighting for various needs. The mirror's RGB light has 10 brightness levels, ensuring optimal lighting for makeup or other activities. Additionally, it includes multi-device support, making it convenient to charge multiple devices wirelessly. The mirror also integrates a high-quality speaker, offering a versatile solution for both beauty and entertainment. Button control makes it easy to adjust the settings, while the modern, compact design fits perfectly into any space.

## Specifications

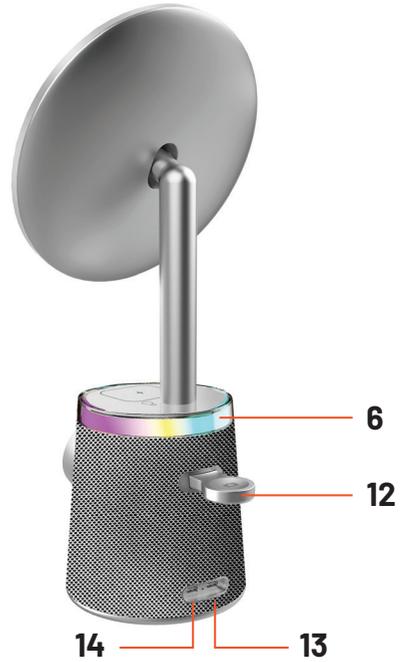

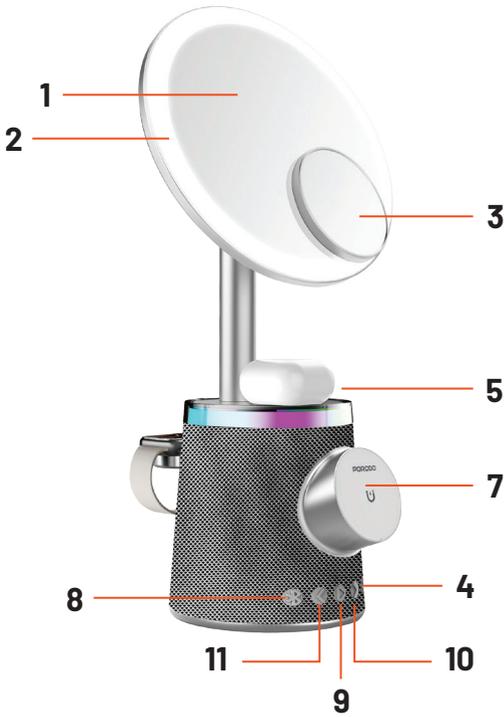

Input Voltage	9V/4A, 12V/3A
USB-C Output	5V/1A Max
Earbuds Output	5W
Watch Output	3W
Phone Output	15W
Rated Frequency	110-205kHz
Speaker Power	5W

Transmission Distance	30m
Bluetooth Version	5.1
Product size	145 x 190 x 378.8mm
Brightness Level	3 Levels + Off
Model Number	PDLFST220

## Product Features

- a.** 3 Brightness Levels: Tailor your lighting to your preference with three adjustable brightness levels, ensuring you have the perfect lighting for makeup application or any other task.
- b.** 3 Color Tones: Choose from three distinct light color temperatures (warm, natural, and cool) to match your needs, whether you're applying makeup or just want optimal lighting for your environment.
- c.** 10 Levels of RGB Light: Enjoy a vibrant and customizable lighting experience with 10 adjustable RGB light levels, allowing you to create a dynamic and colorful ambiance in your space.
- d.** Button Control: The easy-to-use button control makes adjusting the brightness, color tone, and RGB lights simple and convenient, putting all the power in your hands with minimal effort.
- e.** Multi-Device Use: With built-in wireless charging capabilities, this mirror can charge a variety of devices, such as smartphones or wireless earbuds, while you get ready.
- f.** Ergonomic Design: The mirror's sleek and ergonomic design is crafted for comfort and ease of use, providing both style and function. It fits seamlessly into your daily routine while adding a modern touch to your space.

- 4. Makeup Lamp button
- 5. Earbuds charging area
- 6. RGB light
- 7. Phone magnetic charging area

- 8. Bluetooth button
- 9. Play/Pause
- 10. + Button
- 11. - Button
- 12. Watch charging Type-c Input
- 13. Type-C input
- 14. Type-C output

## Power and Charging Instructions

### 1. Power Connection:

Plug the USB-C end of the charging cable into the power adapter, then plug the Type-C port into the product. The charging indicator will flash twice and then turn off, entering standby mode.

### 2. Charging Indicator:

**a.** Charging: Blue light stays on.

**b.** Fully Charged: Blue light off (Note: Some iPhone models may not support this function).

**c.** FOD: Light flashes.

### 3. Output Power:

**a.** Magnetic Phone Wireless Charging Output: 15W (Max)

**b.** USB-C Output: 5W (Max)

**c.** Earbuds Wireless Charging Output: 5W (Max)

**d.** Smart Watch Output: 2.5W

## Bluetooth Connection

### 1. Button Functions:

6 buttons: Bluetooth, pause/play, volume up, volume down, makeup lamp, RGB light touch button.

### 2. Entering Bluetooth Mode:

Press the Bluetooth button to enter Bluetooth mode. The first pairing name will appear as "PD-GLMRA". A prompt tone will confirm successful pairing.

### 3. Pause/Play:

Press the pause/play button to switch between pause and play.

### 4. Volume Control:

**a.** Press the up button to play the next song. Hold to decrease the volume.

**b.** Press the down button to play the previous song. Hold to increase the volume.

## Light Controls

1. **Makeup Lamp Button:** Press to turn the lamp on and adjust the brightness across 4 levels (Max/Mid/Min/Off).
2. **RGB Light Touch Button:** Switch the RGB light manually through 10 color levels.

## Safety Precautions

**Important Note:** If you need to use Bluetooth, wireless charging, and the makeup lamp simultaneously, ensure that you use a PD30W or higher power adapter. When supplying 5V, the wireless charger can only support a 5W load, and the makeup lamp will work.

1. **Avoid Squeezing or Impact:** Do not apply pressure or impact the device.
2. **Do Not Disassemble or Submerge:** Avoid putting the device in fire, water, or disassembling it to prevent leakage.
3. **Use in Suitable Conditions:** Do not use the wireless charger in environments with extreme heat, humidity, or corrosive conditions to prevent circuit damage.
4. **Avoid Magnetic Interference:** Do not place the charger near magnetic cards (e.g., ID or bank cards) to avoid magnetic card failure.
5. **Maintain Distance from Medical Devices:** Keep the charger more than 20 cm away from implanted medical devices (such as pacemakers or cochlear implants) to avoid interference.
6. **Keep Away from Children:** Ensure children do not play with the charger to prevent accidents.
7. **Avoid Water Exposure:** Keep the charger and receiver device away from water and other liquids.
8. **Unplug Before Cleaning:** Always disconnect the power supply before cleaning the charger.

**9. Proper Usage Temperature:** The device should be used within the temperature range of 0-45°C.

**10. Humidity Range:** The device should be used in environments with humidity levels between 20-85% (at 40°C).

## **Disposal**

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
