Product Overview

The Porodo Smartphone Neckmount is designed to provide a convenient and hands-free way to capture every angle with ease. Perfect for first-person recording, it features a magnetic lock latch that ensures secure attachment to your device. This innovative mount allows you to enjoy seamless hands-free recording, making it ideal for content creators, vloggers, and anyone looking to record in a unique perspective. With a simple yet sturdy design, the Neckmount delivers both stability and ease of use, making it an essential tool for anyone looking to enhance their video recording experience.

Specifications

Neck Size	625mm (Adjustable)
Phone Clip Size	65mm -110mm
Material	Aluminum Alloy, Silicone, Stainless Steel
Product Size	45 x 76.5 x 370mm
Model Number	PD-NKSMS

Usage Instructions

1. Neck Mount with Phone Clip

- a. After wearing the mount, align the ends of the bracelet and insert the snap-in bracket port.
- b. Once on, rotate the bracket to your chest to use it.
- c. The cell phones with magnetic attraction can be attached directly for use.

NOTE: Phones without MagSafe functions need to be used with a magnetic ring. Clean the surface of the phone case by wiping it with a cleaning kit. Peel off the protective film of the magnetic ring and stick it in the center of the phone case. Please press it firmly and let it sit for more than 2 hours before use.

NOTE: For use with a safety Lanyard (in complex environments or during intense exercise)

Attach the safety cord to the case hole. Attach the other end of the string to the neck strap to use the product safely.

2. Neck Mount with Magnetic Holder

a. After wearing the mount, align the ends of the bracket and insert the snap-in bracket port.

b. Once on, rotate the bracket to your chest to use it.

c. Place your phone in the holder to use it for recording.

3. Neck Camera Mount

a. After wearing the mount, align the ends of the bracket and insert the snap-in bracket port.

b. Once on, rotate the bracket to your chest to use it.

c. Plug the sports camera interface base into the camera mount.

d. Insert the screw rod and tighten it to use.

Usage Instructions

Safety Precautions

1. Ensure the smartphone is securely attached to the Neckmount before use to prevent accidental detachment.

2. Do not over-tighten the magnetic lock latch to avoid damage to the mount or your device.

3. Use the Neckmount in a safe environment, free from obstacles or distractions that may cause injury.

4. Always adjust the mount to a comfortable position to avoid strain on your neck and posture during prolonged use.

5. Keep the mount and smartphone clean and free from dirt or debris to ensure proper functionality and avoid potential damage.

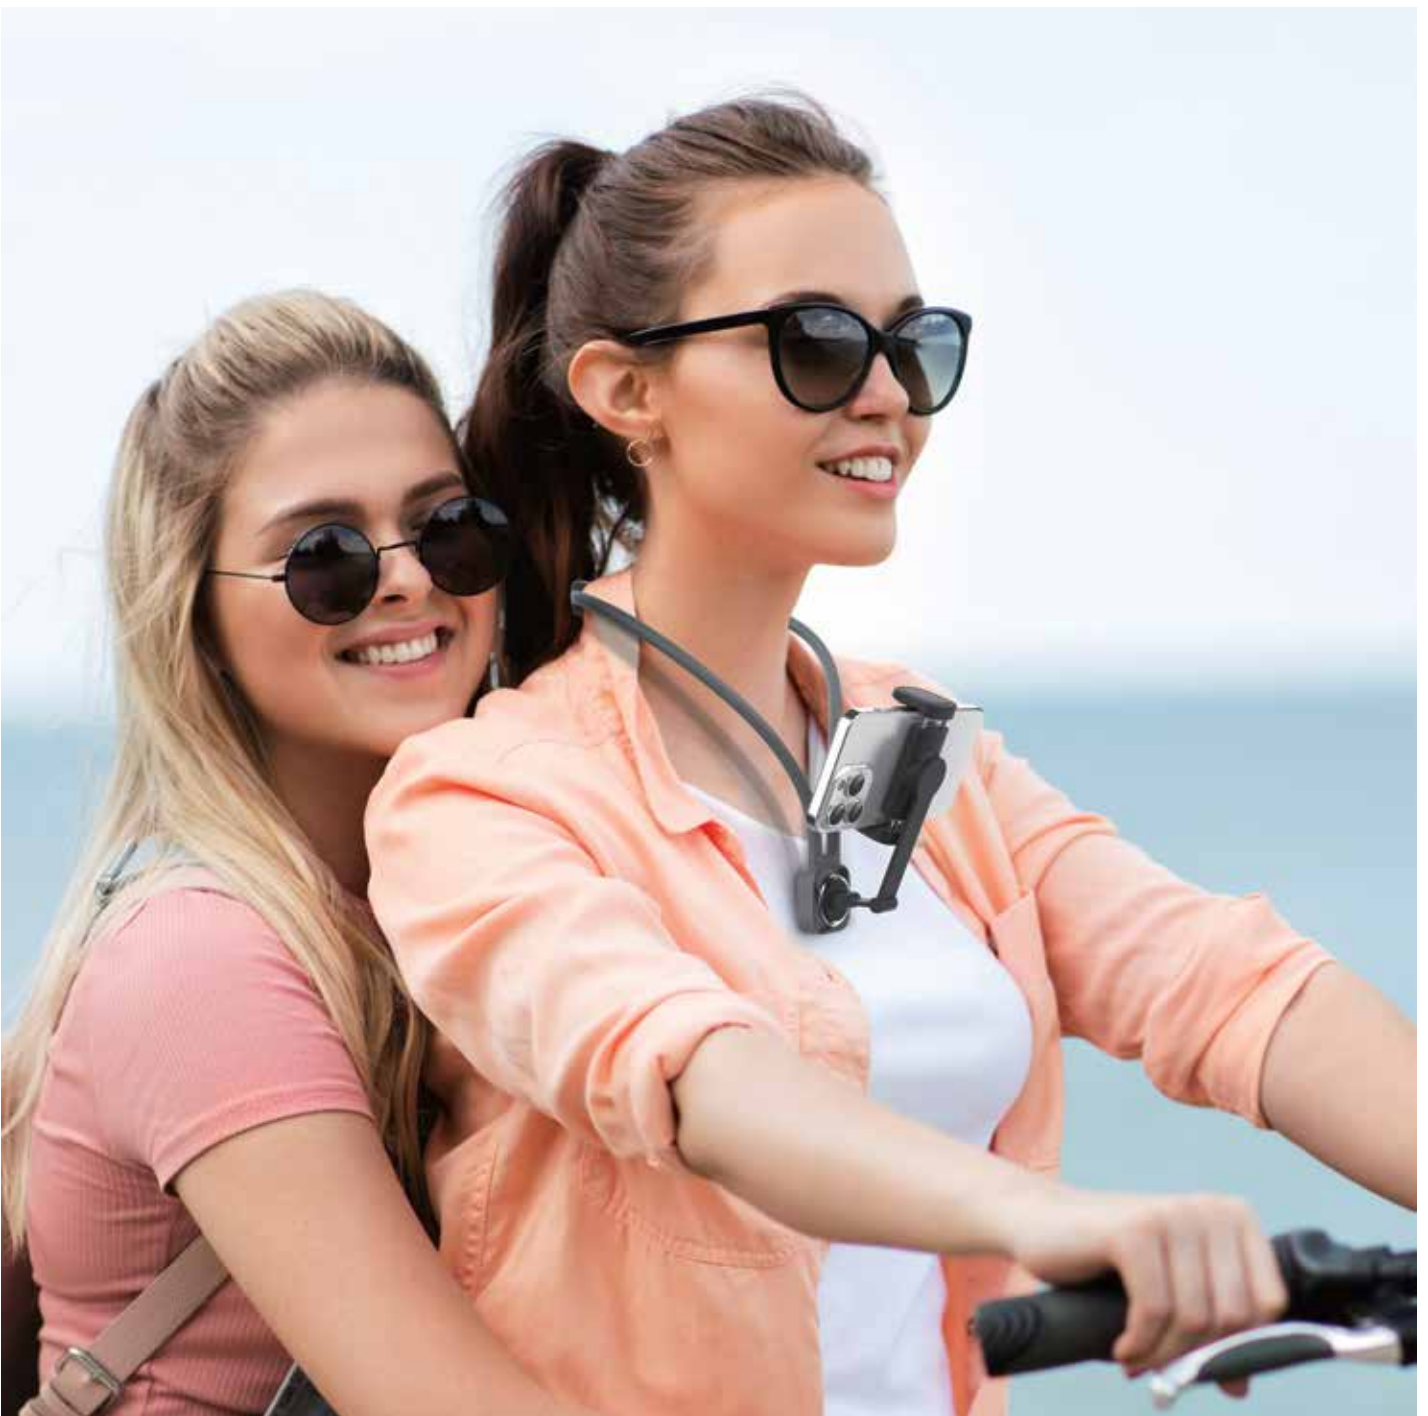

6. Do not use the Neckmount while engaging in high-risk activities, such as driving or operating machinery.

7. Store the mount in a dry and safe place when not in use to prevent damage from exposure to extreme temperatures or moisture.

8. Always check the mount's condition before use. If any part is damaged, discontinue use and replace it immediately.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
