## Product Overview

The Powerology GaN Ultimate Dual PD Charger is a high-performance wall charger featuring dual USB Power Delivery (PD) ports, delivering up to 65W of power. Designed with GaN technology, it provides efficient, rapid charging with Quick Charge 3.0 support. It charges devices such as laptops to 60 % in just 30 minutes, offering built-in safeguards to ensure safety during use. This compact and reliable charger is an essential tool for quick and safe device charging, whether at home or on the go.

## Specifications

Input	100-240V~50/60Hz, 1.7A Max
USB C1 Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A, 65W
PPS	3.3-11V/5A
USB-C2 Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A, 65W
PPS	11-3.3V/5A
A1 Output	5V/3A, 9V/3A, 12V/3A, QC36W
C1 + C2 Output	PD45W + PD20W
C1 + A1 Output	PD45W + QC18W
C2 + A1	5V/3A (15W Max)
C1 + C2 + A1	PD45W + (C2+A1) Share 5V/3A (15W Max)

## Product Features

**GaN Technology:** The charger uses Gallium Nitride (GaN) technology for greater efficiency and smaller size.

**Dual PD Ports:** Equipped with two Power Delivery (PD) ports for simultaneous charging of multiple devices.

**65W Power Output:** Delivers up to 65 watts of power, making it suitable for fast charging laptops and other devices.

**Quick Charge 3.0:** Supports Quick Charge 3.0 for faster charging of compatible devices.

**Laptop Charger:** Specifically designed to charge laptops along with other USB devices.

**0 % to 60 % in 30 Minutes:** Can charge devices from 0 % to 60 % in just 30 minutes.

**Built-in Safeguards:** Includes built-in safety features to protect against overcharging, overheating, and short circuits.

## Safety Precautions

**Avoid Overloading:** Do not connect multiple high-powered devices that may exceed the maximum output limits to prevent overheating or damage.

**Use Only Compatible Devices:** Ensure the charger is used with devices that support the output specifications to prevent malfunction or damage.

**Protect from Moisture:** Keep the charger away from water and moisture to avoid electric shock or short circuit.

**Inspect Regularly for Damage:** Periodically check the charger and cables for any visible wear or damage, and discontinue use if damaged.

**Do Not Disassemble:** For safety reasons, avoid opening or tampering with the charger. Any modifications or repairs should only be done by authorized service personnel.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **[powerology.me/warranty](https://powerology.me/warranty)** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
