Product Overview

The Green Lion Beam Plus Wireless Speaker offers powerful 100W sound with HiFi quality and 360° audio, providing an immersive listening experience. Equipped with Bluetooth 5.0 for seamless connectivity, it also features a built-in carry handle for easy portability. This speaker is waterproof (IPX6 rating), supports USB, TF, AUX, and microphone inputs, and provides up to 8 hours of playtime. The LED RGB lights add an extra touch of style, making it perfect for both indoor and outdoor use.

2. General Instructions

Read all instructions before using the product.

Do not expose or store this speaker in extreme temperatures.

Store in a cool, dry place. Keep away from heat sources like stoves, radiators, or flammable items.

For hearing protection and to extend speaker life, avoid listening at maximum volume.

Clean the device with a soft, dry cloth. For tougher stains, dampen the cloth with water only—other cleaning agents may damage the material.

Only use attachments or accessories specified by the manufacturer.

3. Audio Functions Instruction

 Press the LED Button to change to 8 different sound effects.

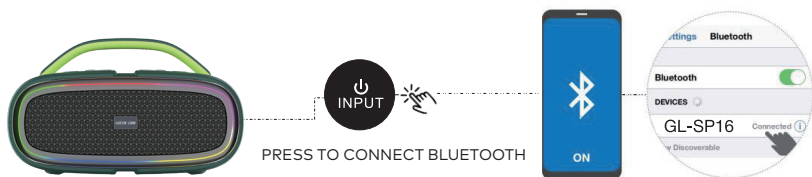

Long press the LED button to adjust the MIC ECHO. The voice prompt will say MIC ECHO.

 Press to boost the sound of playing audio. Press once for Turbo Level 1, and once more for Turbo Level 2. The button's LED brightness will adjust accordingly.

Long press for TWS mode. (See TWS MODE Section for details.)

 If the device behaves abnormally or doesn't work properly, press the reset button at the back of the unit to restore the device to factory settings. Reset button is located near the charging port.

4. Bluetooth mode

Before using Bluetooth, turn on the BEAMPLUS by pressing the INPUT button. It will power on within 3 seconds. By default, it will enter Bluetooth mode.

Flashing blue light indicates that BEAMPLUS is ready to pair.

Turn on Bluetooth and search for "GL-SP16."

The voice prompt will confirm Bluetooth connection by saying BLUETOOTH CONNECTED.

After connection is successful, enjoy wireless audio playback.

AUX Mode:

Press the INPUT button to switch to AUX mode. The voice prompt will say AUX MODE.

Connect a 3.5mm AUX cable to the AUX port at the back of the BEAMPLUS.

USB/TF Card Mode:

Insert the USB Flash Drive/TF Card into the port on the rear side to play music.

If another function is currently active, it will switch to USB/TF Card mode. The voice prompt will say USB MODE/TF CARD MODE.

Music playback controls like Forward or Backward are supported in USB/TF Card mode.

TWS MODE:

To use the TWS Pairing function, first follow the Bluetooth Connectivity steps and connect successfully to BEAMPLUS.

Power on the second BEAMPLUS for TWS pairing. Switch to Bluetooth mode. Flashing blue light indicates that the second BEAMPLUS is ready to pair.

Press both BASS BOOST buttons on both BEAMPLUS units at the same time. The voice prompt will say TWS MODE.

After successful connection, the voice prompt will say TWS PAIR CONNECTED. Start enjoying the true wireless stereo sound.

General operations like Play/Pause, Volume, Next/Previous can be performed by either of the BEAMPLUS units.

Karaoke Function:

To use the Karaoke function, insert the MIC cable into the MIC port on the right side.

To activate Wireless Karaoke, turn on the Wireless MIC Switch. Once the power is on, it will automatically pair with the BEAMPLUS.

MIC Volume Adjustment: Long press the LED button to adjust the MIC volume. The voice prompt will say MIC VOLUME. Use the volume buttons to increase or decrease the volume.

MIC Echo Adjustment: Again, long press the LED button to adjust the MIC ECHO. The voice prompt will say MIC ECHO. Use the volume buttons to increase or decrease the echo effect.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
