Product Overview

The Porodo Starlink Mini DC Plug Car Charger combines compact design with high performance, delivering a reliable 36W dual-port fast charging solution for your on-the-go lifestyle. Featuring both USB-C and USB-A outputs, it ensures universal compatibility across a wide range of devices, from smartphones and tablets to dash cameras and more. The real-time voltage display adds a smart touch, keeping you informed about your car's power status at all times. Built with integrated safety features, it protects your devices from overcharging, overheating, and short circuits. Its durable 3-meter cable provides flexibility and convenience, allowing passengers to charge comfortably from anywhere in the vehicle. With its sleek look and dependable performance, the Porodo Starlink Mini is engineered to deliver efficient, safe, and effortless charging wherever the road takes you.

USB-C Output	5V/3A, 9V/3A, 12V/3A, 36W Max
PPS Output	3.3V-11V/3A
Integrated Cable	60W DC (5521)
USB-A Output	5V/3A, 9V/2A, 12V/1.5A, 18W
DC Output	12V/5A, 24V/2.5A

Cable Length	3m/10FT
Model Number	PDCCRTR69

Product Features

- A. Dual-Port Fast Charging:** Equipped with USB-A and USB-C ports to power two devices simultaneously with high-speed charging.
- B. 36W Total Output Power:** Delivers up to 36W combined output, ensuring efficient energy delivery for smartphones, tablets, and other electronics.
- C. Real-Time Voltage Display:** Built-in digital screen provides live voltage readings, helping you monitor your car's battery condition.
- D. Integrated Safety Features:** Designed with protection against overcurrent, overvoltage, overheating, and short circuits to ensure device safety.
- E. Universal Compatibility:** Compatible with a wide range of devices, including phones, tablets, GPS units, and car accessories.
- F. Extended 3-Meter Cable:** Long cable allows flexible positioning for rear-seat passengers or larger vehicles.
- G. Compact & Durable Design:** Sleek mini form factor fits neatly in any vehicle and withstands daily use.

Product Design

Safety Precautions

1. Use Only in Compatible Vehicles

Ensure the charger is connected to a DC 12V or 24V car socket. Avoid using it with incompatible power sources.

2. Avoid Moisture and Heat Exposure

Keep the charger away from water, high humidity, and direct sunlight to prevent damage or malfunction.

3. Do Not Disassemble or Modify

Opening or altering the charger may cause electric shock or permanent damage to the unit.

4. Unplug When Not in Use

Disconnect the charger from the socket when the vehicle is turned off or the charger is not needed.

5. Avoid Overloading

Do not connect devices that exceed the charger's total output capacity (36W).

6. Handle the Cable Carefully

Avoid twisting, pulling, or bending the cable excessively to prevent internal wire damage.

7. Check the Voltage Display Regularly

If abnormal readings appear, stop using the charger and have the car's electrical system checked.

8. Keep Away from Children

This product is not a toy; keep it out of reach of children and pets.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
