Product Overview

The Porodo Starlink Mini 60W USB-C to DC Cable is a versatile and high-performance cable designed for efficient charging and power transfer. With its 3-meter length, it offers a flexible solution for connecting USB-C devices to DC-powered equipment, ensuring a stable 60W USB-C input. The cable supports plug-and-play functionality, making it easy to use without additional setup. It is widely compatible with various devices, ensuring seamless connectivity across different brands and types. Additionally, the cable features smart power management to optimize energy usage and protect your devices from power surges or instability, providing both reliability and safety in every use.

Specifications

Input Voltage	DC 12-24V
Cable Type	USB-C (60W) to DC (5521)
Cable Length	3m
Model Number	PDCCTR96C

Product Features

- A.** 60W USB-C Input: Supports fast charging with a 60W USB-C input for efficient power delivery.
- B.** 3 Meter Length: Offers extended reach for added convenience and flexibility.
- C.** Wide Compatibility: Compatible with a variety of devices that use USB-C to DC connections.
- D.** Plug & Play: No need for additional software or drivers – plug it in and start using it.
- E.** Smart Power Management: Ensures efficient power distribution to protect your devices.
- F.** Durable Construction: Built to last with high-quality materials for enhanced longevity.

Product Design

Safety Precautions

- 1. Avoid Overloading:** Do not exceed the 60W power rating to prevent overheating or damage to your devices.
- 2. Proper Use:** Ensure the cable is correctly plugged into both the USB-C and DC ports to avoid short circuits or malfunctions.
- 3. Keep Away from Water:** Avoid using the cable in damp environments to prevent electrical hazards.
- 4. Inspect Regularly:** Check the cable for any visible signs of wear, fraying, or damage before use. Replace if damaged.
- 5. Avoid Pulling or Twisting:** Do not pull, twist, or bend the cable excessively to ensure longevity and maintain functionality.
- 6. Use in Well-Ventilated Areas:** For optimal performance, use the cable in well-ventilated areas to prevent overheating.
- 7. Keep Out of Reach of Children:** Ensure the cable is kept out of children's reach to avoid potential choking hazards or improper use.
- 8. Please make sure that the power supply device supports PD output above 60W.**

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
