4. Digital Display
5. USB-C Cable

Setup Guide

1. Fully charge the power bank before using it for the first time. Keep it connected to a power source until the LED indicates it is fully charged.
2. Refer to the power bank's user manual for detailed information on features, specifications, and safety guidelines.
3. Carefully review the specifications before connecting the device and choose the appropriate output port to ensure optimal charging performance.
4. Monitor the device's charge status during charging. Once fully charged, disconnect the device and stop charging.

Product Features

1. The power bank supports 22.5W Power Delivery technology, allowing you to fully charge your phone or tablet via USB-C or USB-A.
2. The USB-C port also allows you to charge the power bank with an input power of up to 20W.
3. The digital LED display shows the remaining battery capacity in real-time.

Safety Precautions

1. Do not create shortcuts.
2. Do not disassemble or attempt repairs.
3. Do not expose the power bank to fire or water.

4. Avoid leaving the power bank in a car or in areas with intense light or high temperatures, as this may damage the product.
5. Keep the power bank out of reach of children.
6. Do not insert any items into the power bank's USB input or output ports to prevent damage or short-circuiting.
7. Always disconnect the charging cable once your device or the power bank is fully charged.
8. Do not create a charging loop by connecting the charging cable to both the input and output of the power bank simultaneously.
9. Avoid dropping the power bank or causing any mechanical damage to it or the packaging.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.greenlion.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
