- 9. Convenient Travel Companion:** Lightweight and designed for travel, the Travel Comfort Duo is perfect for long flights, road trips, or any journey where comfort is a priority.

## Cleaning and Maintenance

- 1.** To clean the fabric, gently spot clean with a mild detergent and a damp cloth. Avoid soaking the fabric to maintain its softness and integrity.
- 2.** Do not immerse the neck pillow or blanket in water. Only lightly dampen the cloth for cleaning.
- 3.** Avoid using fabric softeners, as they may affect the texture and breathability of the material.
- 4.** Air dry the blanket and neck pillow after cleaning, and avoid using a dryer, as it may cause shrinkage or fabric damage.

5. If the neck pillow or blanket develops any unusual odors, allow it to air out by placing it in a well-ventilated area for a few hours.
6. Regularly check for any loose stitching or damaged seams. If any are found, repair or replace the product to maintain safety and comfort.
7. To maintain the longevity of the fabric, store the product in a cool, dry place when not in use, and keep it away from direct sunlight to prevent fading.

## Safety Precautions

1. Always check the neck pillow and blanket before use to ensure there are no visible damages such as tears or holes that could affect performance.
2. The Travel Comfort Duo is intended for personal comfort during travel. It should not be used as a substitute for medical devices or support.
3. Avoid using the neck pillow when driving or operating machinery to ensure that you remain alert and focused.
4. Always adjust the neck pillow to a comfortable yet secure fit to avoid strain or discomfort during use.
5. Store the product in a cool, dry place away from excessive moisture or heat to preserve its quality.
6. Keep the product out of reach of young children to prevent misuse or accidental injury.
7. Do not overload the storage bags with excess items. The bags are designed to carry only the neck pillow and blanket.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
