## Product Overview

The Green Lion Retractable 75W Car Charger offers a convenient and efficient solution for charging devices in your car. Featuring a flexible and adjustable design, it is equipped with a USB-C port for fast and simultaneous charging. The charger is made of durable aluminum alloy and includes an 80 cm USB-C cable for added convenience. With PD 30W and 45W fast charging capabilities, it ensures quick power delivery, providing up to 50% charge in just 30 minutes. Its 180-degree swivel functionality allows for easy adjustment, making it perfect for various car setups. Additionally, safety protection features ensure safe and reliable charging every time.

## Specifications

Model No.	GL-CC22
Material	PC + Aluminum Alloy
Input	12-24V
USB-C Cable Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A (PD45W)
USB-C Port Output	5V/3A, 9V/3A, 12V/2.5A (PD30W)
Total Output	75W
Retractable Cable	Up to 80 cm

Product Weight	85 g
Product Size	23*52*127 mm

## Product Features

**a. Fashionable Design:** The sleek and modern design of this car charger adds an element of style to your car's interior. With its compact and ergonomic build, it ensures ease of use without sacrificing aesthetic appeal.

**b. Universal Compatibility:** The charger is compatible with a wide range of devices, including smartphones, tablet PCs, MP3/MP4 consoles, GPS systems, and other USB/Type-C interface devices. Its versatile charging capabilities allow you to power multiple devices in your car with ease.

**c. Wide Voltage Range:** Supporting a 12-24V range, the charger is suitable for both large and small cars, making it a perfect choice whether you're driving a compact car or a larger vehicle such as an SUV or truck.

**d. Intelligent Current Output:** The charger is equipped with intelligent current output technology, which adjusts the power supply based on the actual current demand of your electronic devices. This feature helps protect your devices from potential damage caused by over-charging or power surges, ensuring safe and efficient charging.

## Safety Instructions

1. This product is designed for use in cars with a voltage not exceeding 24V. Ensure that your vehicle's power supply is within this range to prevent any potential damage to the device.
2. Avoid using this charger in high-temperature or humid environments, as exposure to extreme conditions can affect its performance and longevity.
3. Do not apply excessive pressure or mount this product in a way that could cause damage or strain on the components. Handle with care to maintain its functionality.
4. Keep the charger away from flammable materials or sources of heat to avoid risk of fire or malfunction.
5. Always check the charger and cables for any visible signs of damage before use. If damaged, discontinue use immediately to prevent further issues.
6. Keep out of the reach of children to avoid accidental misuse.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.greenlion.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
