# Product Overview

The Lepresso 51mm Bottomless Portafilter is designed to elevate your espresso-making experience, offering an essential tool for home baristas and professional users alike. Crafted with precision, this portafilter features a stainless steel construction that ensures durability and long-lasting performance. Its unique bottomless design provides greater visibility during the brewing process, helping you monitor the extraction for a more refined espresso shot. The wooden handle not only adds an aesthetic touch but also provides a comfortable, ergonomic grip for smooth and steady use. This portafilter is compatible with various espresso machines and is perfect for those who wish to perfect their espresso technique by observing the flow of the coffee grounds during extraction. With its sleek design and functionality, the Lepresso Bottomless Portafilter is a must-have for any espresso enthusiast.

# Specifications

Material	Stainless steel + Aluminum Alloy + Wood
Compatibility	51mm Coffee Machines
Design	Ergonomic Design

# Operation Instructions

1. Carefully insert tamped coffee into the bottomless portafilter.
2. Lock the portafilter into your coffee machine.
3. Brew your coffee while observing the extraction quality.

4. Please remove the coffee grounds after use.
5. Rinse the portafilter with water and let it dry.

## Safety Precautions

1. Always handle the Portafilter carefully to avoid injury. The stainless steel parts may become hot during use, so ensure to use heat-resistant gloves or mitts when handling the portafilter immediately after brewing.
2. Keep the portafilter out of the reach of children to prevent accidents.
3. After each use, allow the portafilter to cool down before cleaning to avoid burns or injury.
4. Ensure that the wooden handle is kept dry and clean to prevent deterioration. Do not submerge the handle in water; instead, wipe it with a soft, damp cloth.
5. Avoid dropping the portafilter on hard surfaces, as this could cause damage to the stainless steel or wooden handle.
6. Always check that the portafilter is properly secured before brewing. A loose or improperly attached portafilter may cause spills or leaks.
7. Only use the portafilter with espresso machines that are compatible with 51mm portafilters to ensure a proper fit and safe operation.
8. Regularly inspect the portafilter for any signs of wear or damage. If damaged, discontinue use and replace it to avoid potential safety hazards.
9. Store the portafilter in a cool, dry place when not in use, away from direct sunlight or excessive heat to maintain its quality and durability.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **LePresso** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **LePresso** website or store. If **LePresso** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website <https://www.lepresso.com/warranty> and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
