Working Time	30H (Case), 10H (Earbuds)
Charging Time	1H
Quick Charge	4H Playtime in 15 Minutes
Bluetooth Version	5.4
Transmission Distance	10m
Driver Size	14mm
Frequency Range	20Hz - 20kHz
Standby Time	130H

Talk Time	6H
Charging Port	Type-C
Earbud Size	17 x 38 x 38mm
Case Size	31.6 x 50 x 50mm
Model Number	PD-STWLEP052

Product Features

- 1. Environmental Noise Cancellation (ENC):** Enhances audio clarity by reducing background noise during calls and music listening.
- 2. Up to 30 Hours of Playtime:** The charging case provides up to 30 hours of battery life, while the earbuds offer up to 10 hours on a single charge.
- 3. Quick Charge:** Enjoy up to 4 hours of playtime with just a 15-minute charge.
- 4. Bluetooth 5.4:** Ensures stable and fast connection with a range of up to 10 meters.
- 5. Voice Assistant Support:** Easily access your voice assistant by pressing and holding the earbud.
- 6. Touch Controls:** Convenient touch controls for playing/pausing music, adjusting volume, skipping tracks, and answering calls.
- 7. Type-C Charging:** Fast and efficient charging with the included Type-C port.
- 8. Compact Handbag Charging Case:** Stylish, portable case for easy storage and charging on the go.
- 9. High-Quality Sound:** 14mm drivers deliver clear, immersive audio for calls and music.
- 10. Lightweight and Comfortable:** Designed for extended wear with a secure and comfortable fit.

11. Standby Time: Up to 130 hours of standby time, ensuring the earbuds are always ready when you need them.

Cleaning and Maintenance

Regular cleaning and proper maintenance will help prolong the life of your earbuds and ensure optimal performance. Always follow these guidelines to keep your device in excellent condition.

1. **Cleaning the Earbuds:** Use a soft, dry cloth to gently wipe the surface of the earbuds. Avoid using harsh chemicals or abrasive materials, as they can damage the earbuds' surface.
2. **Cleaning the Charging Case:** Use a soft, dry cloth to wipe the exterior of the charging case. If necessary, you can slightly dampen the cloth, but make sure no moisture enters the charging port. Keep the charging port clean and free from dust or debris to ensure proper charging. You can use a small brush or a dry cotton swab to gently clean the port.
3. **Storage:** When not in use, always store the earbuds in the charging case to protect them from dust, dirt, and accidental damage. Ensure the case is closed properly to prevent dirt from accumulating inside.
4. **Avoiding Moisture:** Although the earbuds are designed to be resistant to sweat and light moisture, avoid exposing them to excessive moisture (e.g., rain, swimming, or excessive perspiration). If the earbuds get wet, dry them off with a soft cloth and allow them to air dry before storing them in the case.
5. **Battery Care:** To extend the life of the battery, avoid letting the earbuds or charging case discharge completely on a regular basis. Charge them when the battery level gets low. Do not leave the earbuds in the charging case for extended periods after they are fully charged to prevent battery overcharge.
6. **General Maintenance:** Check the earbuds regularly for any visible signs of damage. If you notice any issues with the earbuds or charging case, such as reduced sound quality or charging issues, contact customer support for

assistance. Keep the earbuds away from extreme temperatures (both hot and cold) to avoid damaging the internal components.

Safety Precautions

- 1. Avoid Excessive Moisture:** Do not expose the earbuds or charging case to excessive moisture or liquids. Keep them away from rain, showers, or swimming pools to prevent water damage.
- 2. Keep Away from Heat:** Do not expose the earbuds or charging case to high temperatures or direct sunlight for prolonged periods. Store them in a cool, dry place to avoid damaging the internal components.
- 3. Safe Charging:** Always use the included Type-C cable to charge the earbuds and charging case. Do not use damaged cables or third-party charging accessories, as they may cause electrical malfunctions or reduce battery lifespan.
- 4. Avoid High-Volume Levels:** Listening to audio at high volumes for extended periods can cause hearing damage. To protect your hearing, set the volume at a safe level and take regular breaks when using the earbuds.
- 5. Proper Handling:** Handle the earbuds and charging case with care to avoid accidental drops or impacts. Do not attempt to disassemble or modify the earbuds or charging case, as this may void the warranty and cause malfunctions.
- 6. Children and Pets:** Keep the earbuds and charging case out of reach of young children and pets to avoid accidental swallowing of small parts or potential damage to the product.
- 7. Avoid Extreme Environments:** Do not use the earbuds in extremely cold or hot environments. Using the earbuds in such conditions can cause overheating, battery damage, or poor performance.
- 8. Earbud Fit:** Ensure that the ear tips are properly fitted to your ears. Ill-fitting earbuds can affect sound quality and comfort, and may cause discomfort during prolonged use.

9. Battery Safety: Never expose the earbuds or charging case to extreme temperatures or pressure. If you notice any swelling, leakage, or unusual behavior from the battery, stop using the product and contact customer support.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
