Product Overview

The Porodo Kids Electric Sharpener & Vacuum is a smart stationery tool designed for children. It features full-automatic sharpening for ease of use and includes a built-in vacuum to collect pencil shavings, keeping the area clean. The sharpener is equipped with Type-C charging for quick and efficient power. Its child-friendly design ensures safety and convenience, making it perfect for young users. The set also includes five colorful pencils, adding a fun and practical touch to the sharpening experience.

Product Features

- 1. Full-Automatic Sharpener:** This sharpener automatically detects when a pencil is inserted and begins sharpening. Once the pencil reaches the ideal point, it stops automatically, requiring no additional effort from the user, making it a hassle-free experience.
- 2. Built-in Vacuum:** The sharpener features an integrated vacuum that collects pencil shavings as they are produced, ensuring your desk or work area remains clean and free from messy debris, eliminating the need for constant cleaning.
- 3. Type-C Charging:** The sharpener comes with a Type-C charging port, offering fast and efficient charging. This modern charging method ensures a quicker power-up, making it compatible with a wide range of chargers and devices for convenience.
- 4. Child-Friendly Design:** Specifically designed for young users, the sharpener is easy to operate, with user-friendly features and safety mechanisms in place. Its lightweight and compact size makes it perfect for children to handle on their own with minimal supervision.
- 5. Compact and Lightweight:** With its small and light design, this sharpener is perfectly suited for kids to easily carry and use. Its compact build ensures it fits on most desks and can be stored away conveniently when not in use.
- 6. Safety Protection:** The sharpener is equipped with safety features such as a

protective casing to prevent accidents during use. This ensures the device is safe for children, reducing the risk of injury or damage while sharpening pencils.

Cleaning and Maintenance

1. Electric Sharpener

a. Cleaning: Turn off the sharpener and unplug it before cleaning. Wipe the body with a soft, dry cloth. Use a small brush to remove any shavings from the blade area.

b. Maintenance: Regularly empty the shavings compartment to avoid blockage. Ensure the blades are sharp for smooth performance; replace if they become dull.

2. Cleaning the Eraser Head

a. After each use, remove any eraser residue from the eraser head.

b. Gently wipe the eraser head with a soft cloth or tissue.

c. For a deeper clean, use a cotton swab dipped in a small amount of water or rubbing alcohol to clean the eraser head. Avoid using harsh chemicals.

3. Cleaning the Fan Head (Interchangeable)

a. After using the fan head, ensure that it is free from dust or debris.

- b.** Use a soft brush or cloth to gently clean the fan blades.
- c.** If needed, carefully wipe the fan head with a damp cloth and allow it to air dry completely before reattaching it to the eraser.
- 4. Battery and Charging Port Care**
 - a.** Keep the charging port clean and dry. Avoid any contact with water to prevent damage to the device.
 - b.** Use a dry cloth to wipe around the charging port and ensure no dust or moisture is present before charging.
- 5. Replacing Eraser Refills**
 - a.** If the eraser tip becomes worn or damaged, replace it with a new refill tip to maintain precision and performance.
 - b.** Always use the appropriate size refill tips as per the product specifications.

Safety Precautions
