Product Overview

The Travel Makeup Case with Detachable LED Mirror is a compact and practical solution for organizing makeup and toiletries while traveling. It features multiple compartments for secure storage and a detachable LED mirror with adjustable brightness for easy makeup application in any lighting. The case also includes a hanging hook for convenient storage, making it a versatile and portable choice for travelers.

Specifications

Material	Glass + ABS + PU
Input Voltage	3.7V
Mirror Size	148 x 205mm
LED Beads	64pcs
Battery Capacity	1500mAh
Color Temperature	2600K~6000K
Charging Interface	USB-C
Product Weight	573g
Product Dimensions	9 × 16.6 × 23 cm
Model Number	PDLFSTLC0459

Schematic View

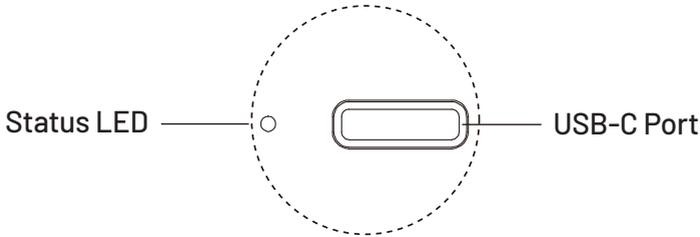

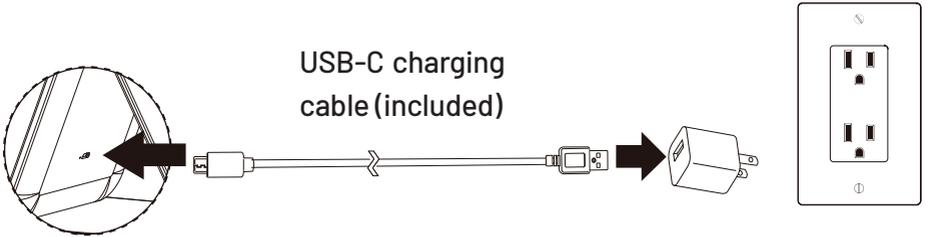

Charging Instructions

Follow these steps to charge the mirror:

1. Connect the included USB-C charging cable to the micro USB-C port on the back of the unit.
2. Plug the standard USB end of the cable into a powered USB port or USB adapter.
3. The status LED will indicate the charging process.

USB AC adapter
(not included)

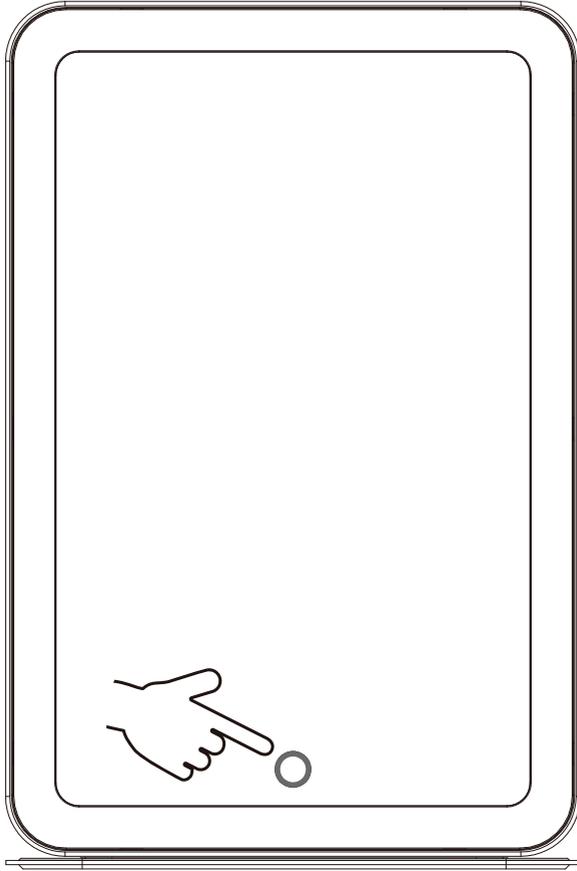

LED Indicators Guide

The Status LED on the mirror helps you easily monitor the charging process. It provides a visual indicator of the battery status as follows:

LED Light	Battery Status	Indicator
	Charging	RED
	Fully Charged	OFF

Lighting Operation

The mirror features three lighting modes and adjustable brightness for your convenience:

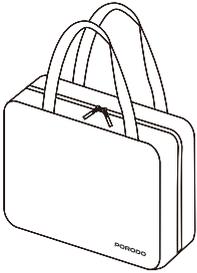

3 Color Lighting:

- a.** Tap once to activate White (Cool) mode.
- b.** Tap again to switch to Yellow (Warm) mode.
- c.** Tap once more to select White/Yellow (Bright) mode.
- d.** Tap again to turn the light OFF.

Brightness:

Tap and hold the light ring to increase or decrease the brightness (the light must be ON for brightness adjustment).

Package Contents

Storage Bag ×1

LED Mirror ×1

USB-C Charging
Cable ×1

Cleaning Cloth ×1

Cleaning and Maintenance

1. Use the included cleaning cloth to remove smudges and dust from the mirror.
2. If the mirror requires additional cleaning, wipe it gently with a slightly damp cloth.
3. Avoid using harsh chemicals or abrasive materials that could damage the mirror's surface.
4. Ensure the mirror is turned off and unplugged before cleaning.
5. Store the mirror in a dry, cool place to prevent damage.

Safety Instructions

Please read and follow all safety instructions carefully to ensure proper use and safe operation of the product.

1. **Water:** Do not use this product near water. Unplug the unit and clean it only with a damp cloth.
2. **Ventilation:** Do not block any ventilation openings. Install the product as per the manufacturer's instructions.
3. **Heat:** Keep the product away from heat sources like radiators, stoves, or amplifiers.
4. **Attachments:** Only use attachments or accessories specified by the manufacturer.

5. **Unplugging:** Unplug the product during lightning storms or when not in use for long periods.
6. **Service:** Have the product serviced by a qualified technician if it shows any damage or malfunctions.
7. **Damage:** If the plug is damaged, liquid has spilled on the unit, or it has been dropped or exposed to rain, contact a service professional.
8. **Lighting:** Do not place the product near naked flames, such as candles or lighted objects.
9. **Climate:** This product is suitable for use in tropical and moderate climates.

Warning:

- a. **Electrical Safety:** To reduce the risk of fire or electric shock, do not expose the product to rain or moisture.
- b. **Extended Use:** If the product is not used for an extended period, disconnect the power supply and store it in a dry place.
- c. **Storage:** Always store the product with its certified UL/ETL charger and supplied USB cable.
- d. **Sunlight:** Never expose the mirror to direct sunlight, as this can cause overheating and may damage the unit or harm your eyes.

Battery Precautions

1. Do not use or charge the battery if it appears leaking, discolored, deformed, or abnormal in any way.
2. Do not disassemble the unit or remove the battery, as it may cause leakage of harmful substances.
3. Avoid charging the battery if the temperature is outside the range of 5°C - 35°C (41°F - 95°F).
4. Do not expose the battery to any liquid.
5. Keep the battery away from excessive heat, such as direct sunlight or fire. Do not use the battery in a vehicle with poor ventilation, where high temperatures may occur.
6. Always keep batteries out of reach of infants and small children.

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference; and

(2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations. Do NOT attempt to

change the battery, as this will void the warranty and may cause injury or damage to the device.

To properly dispose of the unit, follow these instructions:

1. Never dispose of used batteries or electronics with regular solid waste, as they may contain harmful substances.
2. Always dispose of used batteries and electronics in accordance with local community regulations.

Many electronics retailers now offer battery recycling and other electronic component recycling at no charge.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
