Product Overview

The Green Lion Companion 45 is a versatile universal travel adapter designed for global adventures. It features 45W PD output and the advanced GaNStorm technology for efficient power delivery. The adapter can charge up to six devices simultaneously, with USB-A and USB-C ports offering a total output of 2400W max. It is equipped with a 50cm retractable cable and supports multiple plug types (UK, AUS, EU, US), making it perfect for international travel. The adapter also boasts a PC flame retardant body for added safety and durability.

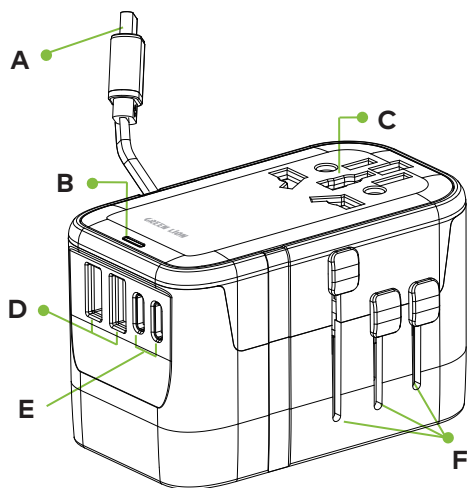

Specifications

| | |

| Product Weight | 206 g |
| Product Dimensions | 56*56*92 mm |

Product Sections

- A.** Retractable Cable USB-C1 (PD45W)
- B.** Power Light
- C.** Universal Socket
- D.** 2 USB-A (QC18W)
- E.** 2 USB-C (PD20W)
- F.** Slider

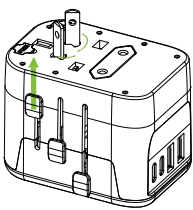

Product Features

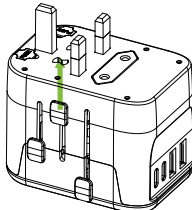

- 1. Single Plug Safety Feature:** Prevents multiple plug insertions at once, reducing the risk of electrical overload or short circuits.
- 2. Built-In Safety Shutters:** Protects users from accidental contact with live parts, ensuring safer use, especially for children.
- 3. LED Power Indicator:** Clearly shows when the adapter is receiving power, providing a convenient visual status for users.
- 4. Built-In Auto-Resetting Fuse:** Automatically cuts off power during overloads or surges and resets itself once the issue is resolved, offering continuous protection.
- 5. Patents Protected:** Designed under patented safety and functionality technologies, ensuring reliable performance and authenticity.
- 6. Multifunction Jack:** Compatible with a wide range of plug types, allowing easy connection for devices from different regions.

Setup Guide

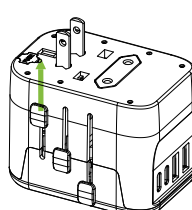

- 1.** This travel adapter features a universal socket that fits a variety of plugs worldwide.

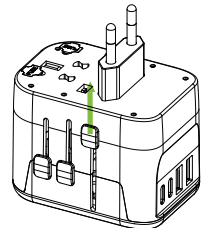

Australia / NZ

UK

USA

EU

2. Only one plug can be used at a time. Other plugs will automatically lock. To switch plugs, press and hold the side lever to release the pins before inserting another plug.
3. To use the Australian plug, rotate the pin 45 degrees.

Product Function

1. Covers more than 150 countries with US/EU/UK/AU Plugs.
2. Built-in safety shutters protect users from the direct touch of the live parts on the socket outlet.
3. Suitable for charging tablets, cell phones, computers, razors, mp3, digital cameras, game consoles, and other devices.

Safety precautions

1. This product does not convert voltage. Ensure your device has the correct voltage rating. If the supply voltage differs, use the proper transformer.
2. Each country has its own regulations regarding travel adapters.
3. Always check the adapter's compatibility before use.
4. Avoid storing the product in direct sunlight, or in areas with high temperatures, humidity, or dust.
5. Do not use the product with wet hands.
6. This equipment is not suitable for children. Keep a safe distance from children and pets.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
