## Product Overview

The Green Lion Retractable 99W Car Charger is a versatile and efficient solution for on-the-go charging. With an overall power output of 99W, it houses two USB-C and one USB-A, allowing the charging of multiple devices simultaneously. The charger features an 80 cm retractable USB-C and Lightning cables for ease of access and avoiding a cluttered environment. Equipped with 45W PD fast charging, it quickly powers up your devices to 50% in just 30 minutes. The soft ambient LED light ensures perfect visibility, and the 180° swivel design, along with a flexible arm, makes adjustments easy to attain the best position in your car. This car charger has built-in safety protection for your devices during use and, therefore, is reliable and convenient for use in your car.

## Specifications

Model No.	GL-CC26
Material	ABS + Flame Retardant PC
Input	12-24V
USB-C Cable Output	5V/3A, 9V/3A, 12V3A, 15V/3A, 20V/2.25A (PD45W)
Lightning Cable Output	5V/2.4A (12W Max)
USB-C1 Port Output	5V/3A (15W Max)

USB-C Port Output	5V/3A (15W Max)
USB-A Port Output	5V/2.4A (12W Max)
Total Output	99W Max
USB-C Cable	80 cm
Lightning Cable	80 cm
Product Weight	109.5 g
Product Dimensions	30.7*50.6*135.2 mm

## Product Components

- 1. Host
- 2. Negative contact
- 3. Positive contact
- 4. Type-C retractable cable
- 5. USB-C2 charging port
- 6. USB-C1 charging port
- 7. USB-A charging port
- 8. Lightning retractable charging cable

## Precautions

- 1. For safety, avoid using this product in conditions involving drops, high temperatures, or short circuits.
- 2. Do not expose it to fire and keep it out of the reach of children.
- 3. To prevent damage, avoid letting the product rub or collide with hard objects, as this may cause surface grinding or hardware damage.
- 4. Ensure that the product is used with the specified voltage (12V-24V). Using incorrect voltage may cause the product to malfunction or become damaged.

## FCC Statement

- 1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
  - (1) This device may not cause harmful interference; and
  - (2) This device must accept any interference received, including interference that may cause undesired operation.
- 2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at [\*\*https://www.greenlion.net/warranty\*\*](https://www.greenlion.net/warranty) and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
