Product Overview

The Porodo Blue Stereo Earphones with AUX jack offer clear and immersive sound quality, perfect for everyday listening. These earphones come with a 3.5mm AUX jack for easy compatibility with a wide range of devices. Equipped with a high-clarity microphone, they ensure crisp audio for calls or voice recordings. The 1.2-meter extended cable provides flexibility, allowing for comfortable use while on the move. Whether you're listening to music or taking calls, these earphones deliver exceptional performance with convenience.

Specifications

Material	ABS
SPL	112dB
Connector Type	3.5mm
Length	1.2m

Product Features

a. 3.5mm AUX jack

The standard 3.5mm AUX jack ensures easy compatibility with a wide range of devices such as smartphones, tablets, laptops, and MP3 players, allowing you to enjoy high-quality sound with no need for additional adapters.

b. High-Clarity Microphone

Equipped with a high-clarity microphone, these earphones offer clear audio during calls and voice recordings, ensuring your voice is picked up crisply and without distortion, making communication seamless whether you're talking to friends or colleagues.

c. 1.2-Meter Cable

The 1.2-meter cable provides flexibility and freedom of movement, making these earphones ideal for active use. Whether you're exercising, commuting, or just relaxing at home, the cable length ensures you can comfortably use your devices without being restricted.

d. Durable Construction

Built to last, the Porodo Blue earphones are crafted with durable materials that can withstand daily wear and tear. Whether you're storing them in your bag or carrying them in your pocket, these earphones are designed to hold up over time and deliver consistent performance.

e. Ideal for Music, Calls, and Voice Recordings

These earphones are versatile, making them suitable for a variety of uses, including listening to music, taking calls, and making voice recordings. Whether you need to enjoy your favorite tunes or have a hands-free conversation, they provide high-quality audio for all activities.

Safety Precautions

1. Avoid Exposing to Excessive Heat

To ensure the longevity of the earphones, avoid exposing them to extreme temperatures or direct sunlight for extended periods. High heat can damage the internal components and affect performance.

2. Handle with Care

Always handle the earphones gently, particularly the cable and connector. Avoid pulling or yanking on the cord, as this can cause wear or damage to the wires, leading to connectivity issues.

3. Keep Dry

These earphones are not designed to be waterproof. To prevent damage, avoid using them in wet conditions or exposing them to moisture. If they get wet, dry them off immediately to prevent damage to the internal components.

4. Store Properly

When not in use, store the earphones in a safe, dry place away from sharp objects or excessive pressure that could cause them to bend or break. Consider using a case or pouch to protect them from damage during storage.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
