Chair Opening

- 1 - Press downward to open.
- 2 - To avoid injury while opening, please do not place your hands or fingers near the corners.
- 3 - Lift the cooler bag and the side table located on the sides.
- 4 - Lift the support bars until they are completely straight; otherwise, the chair may collapse when weight is applied.

Chair Folding

- 1-** To fold the side table and cooler bag, press down on the support bars. While doing this, be careful not to trap your hands or fingers.
- 2-** Press down on the bars under the seat to start folding the chair.
- 3-** Continue folding toward the center until it is fully closed.
- 4-** The folding process is complete.

Safety Precautions

- 1.** Ensure the chair is placed on a flat, stable surface before sitting to prevent tipping or collapse.
- 2.** Do not exceed the maximum load capacity of 120 kg to avoid damage or injury.
- 3.** Make sure all joints and locking parts are fully extended and secured before use.
- 4.** Keep hands and fingers away from folding and moving parts during setup or folding to prevent pinching or injury.

5. Avoid sitting on the armrests, side table, or cooler bag as they are not designed to support body weight.
6. Do not use the chair on slippery or uneven ground where it could slide or tip over.
7. Keep the chair away from open flames, high heat, or sharp objects that could damage the fabric or frame.
8. Regularly check for loose screws, damaged fabric, or bent parts, and stop using the chair if any defects are found.
9. When folding or unfolding, do so slowly and carefully to ensure all components move smoothly without obstruction.
10. Store the chair in a dry place when not in use to prevent rust or material degradation.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
