## Product Overview

The SyncGlow Speaker & Phone Holder is a multifunctional device that combines a magnetic phone mount with ambient RGB lighting. It features a seamless magnetic hold for secure attachment, allowing for 360-degree rotation and effortless angle adjustments. The built-in speaker provides clear sound, while the vibrant lighting syncs with the music, creating an immersive experience. This device offers a practical solution for holding your phone while enhancing the atmosphere with its dynamic lighting and sound features.

## Package Contents

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:  
<https://www.porodo.net/warranty>
