## Product Overview

The Porodo Multi-Port Super Hub is the ultimate home and office kit, offering a powerful combination of four USB-C and two USB-A ports for efficient device charging and power delivery. With a 3-meter cable length, this hub ensures versatility in placement, whether at home or in the office. It features a built-in 24-hour timer for easy scheduling, overheat protection for safety, and an LED display for real-time monitoring. The device supports UK sockets and can handle up to 3000W at 13A, making it suitable for heavy-duty use. The hub also includes built-in safeguards for added reliability and peace of mind. With its sleek design and advanced functionality, it's the perfect solution for managing multiple devices conveniently and safely.

## Specifications

Rated Power	3000W
Rated Current	13A

USB-C 2 Output	20W
USB-C 3 & 4 Output	2.1A

USB-A 1 Output	2.1A
USB-A 2 Output	QC 3.0 20W
Total Sharing Output	65W
Model Number	PDFWCH0093M

## Product Components

- 1. UK Outlet
- 2. PD 35W and 20W Type-C Ports
- 3. Type-C 20W Ports

- 4. USB-A Ports
- 5. LED Display
- 6. Timer

## Product Features

- 1.** The hub offers four USB-C and two USB-A ports, providing versatile charging options for multiple devices simultaneously.
- 2.** It includes a 3-meter cable length, allowing for flexible placement in any environment.
- 3.** The built-in 24-hour timer enables scheduled power management for added convenience.
- 4.** Over-heat protection ensures the safety of your devices by preventing excessive temperature buildup.
- 5.** The LED display shows real-time usage information, making it easy to monitor the power status.
- 6.** Compatible with UK sockets, it can handle up to 3000W at 13A for high-powered devices.
- 7.** The hub features built-in safeguards, offering extra protection against electrical faults and surges.

## Safety Precautions

- 1.** Always ensure the power hub is used within the specified voltage and current limits to prevent overheating or damage.
- 2.** Keep the hub away from water or any liquid sources to avoid electrical hazards.
- 3.** Do not overload the hub by connecting too many high-power devices at once, as it may lead to overheating or short-circuiting.
- 4.** Ensure the cables are not damaged or frayed, as this may pose a risk of electric shock or fire.
- 5.** Avoid using the hub in high-temperature environments, as excessive heat can cause malfunction or damage.

6. When not in use, unplug the hub to ensure safety and prevent unnecessary energy consumption.
7. Do not attempt to open or repair the hub; if any issues arise, contact a certified technician for assistance.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
